*RAINBOW MEN* John P. Wunderle Jr., 2007-12-19 Seven military men find themselves odd men out as the nineteenth century moves into the twentieth century The United States cavalry is almost a thing of the past After a fleeting dalliance with glory in Cuba the men are dispatched to southwest Texas to serve under a

pompous self serving martinet Trouble inevitably ensues and the men are eventually asked to leave the military With no clear plan for the immediate future the seven find action and adventure in Mexico before settling in the bayous of southwest Mississippi There still more fierce battles are waged spurred on by the clash of cultural and social disparity The Chautauquan, 1909 **Each Night, I Die: Reload** Cheese, 2016-01-30 EACH NIGHT I DIE is the authors true story about how he and his family coped as best they could with his confused and destructive leap into manhood until one by one they could cope no more On the other hand it shows that an absent father a poor working mother neighborhood of despair inadequate education and destructive streets do not have to determine the fate of every urban child in America that fate lies within The authors life is a microcosm of many southern families who migrated North in search of a better life This book is for everyone regardless of ethnicity or background and relates to all human emotions Its about tragedy and triumph hope and hopelessness addiction and recovery faith and fear life and death choices and consequences so it appeals to a diverse audience A man is not finished when he is defeated he is only finished when he himself throw in the towel The author believes his message is a timely one and our past is over and should not enslave us for the rest of our lives No one is beyond the power of redemption and I believe my life was spared to tell my story as I remember all of the many lives lost to drugs prison and violence not to mention the potentials that ended all too soon in a cold damp grave **The Chautauquan**
