Long Shadow Inside Stalins:

The Long Shadow Rosamond Richardson, 1993 Stalin married Nadya Alliluyeva in 1918 Published to mark the 40th anniversary of Stalin s death this is the story of four generations of Alliluyevs from 1860 to the present mainly in their own words and an exploration of how far the sins of the fathers reach down through the generations **Stalin** Hiroaki Kuromiya, 2013-08-16 This profile looks at how Stalin despite being regarded as intellectually inferior by his rivals managed to rise to power and rule the largest country in the world achieving divine like status as a dictator Through recently uncovered research material and Stalin s archives in Moscow Kuromiya analyzes how and why Stalin was a rare even unique politician who literally lived by politics alone He analyses how Stalin understood psychology campaigns well and how he used this understanding in his political reign and terror Kuromiya provides a convincing concise and up to date analysis of Stalin s political life **Stalin** Robert Service, 2005 Overthrowing the conventional image of Stalin as an uneducated political administrator inexplicably transformed into a pathological killer Service reveals a more complex and fascinating story behind this notorious twentieth century figure Drawing on unexplored archives and personal testimonies gathered from across Russia and Georgia this is the first full scale biography of the Soviet dictator in twenty years Churchill's Cold War Klaus Larres, 2002-01-01 En dybtgående veldokumenteret analyse af britisk udenrigspolitik i gennem de første 10 efterkrigsår herunder bl.a. den engelsk-amerikansk-franske manøvre for at afværge Sovjetunionens bestræbelser for at genforene Tyskland Stalin Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar From the bestselling author of *The Romanovs* The first intimate portrait of a man who had more lives on his conscience than Hitler Disturbing and perplexing The New York Times Book Review Based on groundbreaking research Simon Sebag Montefiore reveals the fear and betrayal privilege and debauchery family life and murderous cruelty of this secret world Written with bracing narrative verve this feat of scholarly research has become a classic of modern history writing Showing how Stalin s triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character this is an intimate portrait of a man as complicated and human as he was brutal and chilling **A History of Twentieth-century Russia** Robert Service, 1998 Russia has had an extraordinary history in the twentieth century As the first Communist society the USSR was both an admired model and an object of fear and hatred to the rest of the world How are we to make sense of this history A History of Twentieth Century Russia treats the years from 1917 to 1991 as a single period and analyzes the peculiar mixture of political economic and social ingredients that made up the Soviet formula Under a succession of leaders from Lenin to Gorbachev various methods were used to conserve and strengthen this compound At times the emphasis was upon shaking up the ingredients at others upon stabilization All this occurred against a background of dictatorship civil war forcible industrialization terror world war and the postwar arms race Communist ideas and practices

never fully pervaded the society of the USSR Yet an impact was made and as this book expertly documents Russia since 1991 has encountered difficulties in completely eradicating the legacy of Communism A History of Twentieth Century Russia is the first work to use the mass of material that has become available in the documentary collections memoirs and archives over the past decade It is an extraordinarily lucid masterful account of the most complex and turbulent period in Russia s long history A History of Modern Russia Robert Service,2009-10-30 Russia had an extraordinary 20th century undergoing upheaval and transformation Service provides a panoramic perspective on a country whose Soviet past encompassed revolution civil war mass terror and two world wars This new edition takes the story from 2002 through the presidency of Vladimir Putin to the election of Dmitri Medvedev **The Contemporary Review** ,1993 *History* ,1995 **Eileen's Story** Rosamond Richardson,1997 In a direct and simple first person style that reverberates with the honesty of her experience Rosamond Richardson describes the often insensitive treatment of cancer patients at the hands of the medical establishment In vivid detail she talks about the alternative paths she has chosen and shares with readers her personal evolution to a state of mind in which she could trust her own instincts and take responsibility for her recovery and her life **Inside the Kremlin** Pey-Yi Chu,Gregory Francis,Selena Lai,2004 **Book Review Digest** ,1997 **The War's Long Shadow** Bradley F. Smith,1986 *The Guardian Index* ,1993 The British National Bibliography Arthur James Wells,1994 The Origins of the Cold War Robert J. McMahon,Thomas G. Paterson,1999 Combining classic and contemporary scholarly essays this best selling anthology from the respected Problems in American Civilization series presents challenging perspectives on the complex origins of the East West confrontation after World War II *Arts & Humanities Citation Index* ,1995 *The Literary Review* ,1993 *The Cumulative Book Index* ,1996 A world list of books in the English language *Stalin's Shadow* Rosamond Richardson,1994
