Long Summer Day:

A Very Long Summer's Day Brian Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there. He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room. He is quite surprised when Nanny a goat begins speaking to him. Phil finds himself in a land of magic. And not a very nice kind of magic. Here when a little girl wants a pony another child loses a pony. A group of animal lovers thought it would be a great idea for animals to have the same rights as people. Their misguided idealism put Nanny in the body of a goat and a goat in Nanny's body. Many years before when Phil's grandfather was young he'd visited the land. Seemingly just by being there the land changed for the better. Nanny believes Phil could do the same and in the process be the key to getting her body back. Nanny decides to take Phil to the capital. **A Very Long Summer's Day** is the story of their travels through a realm filled with quirky characters, magic, and wizards who have their own plans for Phil. It's reminiscent of books, TV shows, and movies that are fun for all ages, as a lot of the references and humor pass over the heads of the younger ones. It's sure to become a family favorite. 2 Long Summer Day Ronald Frederick Delderfield, 1966
