Christians know that we are to walk the walk that Christ walked making everyday decisions as God would have us do The recent popularity of the WWJD Movement highlights this desire Yet few Christians take the time to explore God s Will in every aspect of their lives and set goals that reflect a biblical approach to everyday life D James Kennedy uses biblical principles forged in his own life and in the life of the church to highlight practical ways for believers to go deeper in their spiritual walk and set long term goals according to God s Will Readers will learn to partner with Christ and set goals that will affect the way they interact with family friends church community colleagues and their environment

The Emmy nominated star of the classic 1950s sitcom I Married Joan Joan Davis 1912 1961 was also radio s highest paid comedienne in the 1940s and she displayed her unique brand of knockabout comedy in more than forty films This book provides a complete account of her career including a filmography with critical commentary and the most detailed episode logs ever compiled for her radio and television programs A biographical chapter offers never before published information about her family background marriage to vaudeville comedian Si Wills and relationships with other men and her tragic early death

The Fast-track Course on how to Write a Nonfiction Book Proposal Stephen Blake Mettee,2002

The hard cold fact about getting a book published is that without something close to divine intervention an author is going to have to write a sales piece called a book proposal that will attract the attention of an editor or an agent In fact at most publishers this sales piece is going to have to hold up under the scrutiny of a committee made up of a bevy of editors and a pod of sales and marketing people With *The Fast Track Course on How to Write a Nonfiction Book Proposal* Mettee a seasoned book editor and publisher cuts to the chase and provides simple detailed instruction that allows anyone to write a professional book proposal and hear an editor say Yes According to Mettee the first rule is Do no harm Too many authors don t pay enough attention to the small things like spelling and grammar and manuscript format that are needed to make their book proposals appear professional They may have a great idea for a book and be eminently qualified to write it but they schmuck it up with slovenly disregard for the easy stuff The last rule is Be persistent If you quit after your first rejection slip or after the thirteenth or the thirtieth you ll never get published Many books that are rejected scores of times go on to be best sellers You re not defeated until you give up
