

## THE LONGEST WINTER

Because the longest winter,  
Is not the one whispering shivers  
In valleys and the mountain pass.  
With its fine-white veil,  
Bathing the trees and countryside.  
The longest winter,  
Is the one that has settled in your eyes,  
Staining your lips with gray words  
Stealing your voice of sweetest chants.

You seem to have forgotten  
I am a flower in your arms.  
And though I demand nothing of you,  
With my heart like this — withered —  
I must ask,  
When will you give me back the sun?

## **Longest Winter:**

The Longest Winter Meredith Hooper, 2011-10-01 Through the eyes of the men involved Meredith Hooper recounts one of the greatest tales of adventure and endurance which has often been overshadowed by the tragedy that befell Scott Their tents were torn their food was nearly finished and the ship had failed to pick up the members of Scott's Northern Party as planned Gale force winds blew bitter with the cold of approaching winter Stranded and desperate Lieutenant Victor Campbell and his five companions faced disaster They burrowed inside a snowdrift digging an ice cave with no room to stand upright but space for six sleeping bags on the floor the three officers on one side the three seamen on the other Circumstances forced them closer together their roles blurred and a shared sense of reality emerged This mutual suffering made them indivisible and somehow they made it through the longest winter To the south the men waiting at headquarters knew that Scott and his Polar party must be dead and hoped that another six lives would not be added to the death toll Working from diaries journals and letters written by expedition members Meredith Hooper tells the intensely human story of Scott's other expedition

**Persephone's Curse** Katrina Leno, 2025-12-02 The Hazel Wood meets Laini Taylor in this gorgeous urban fantasy of sisterhood ghosts and old family curses Are the four Farthing sisters really descended from Persephone This is what their aunt has always told them that the women in their family can trace their lineage right back to the Goddess of the Dead And maybe she's right because the Farthing girls do have a ghost in the attic of their New York City brownstone a kind and gentle ghost named Henry who only they can see When one of the sisters falls in love with the ghost and another banishes him to the Underworld the sisters are faced with even bigger questions about who they are If they really are related to Persephone and they really are a bit magic then perhaps it's up to them to save Henry to save the world and to save each other
