Look Into My Eyes:

Look into my eyes Boris Tzaprenko,2022-02-10 Could the fate of humanity be in the hands of one single person So many different things could erase humans from the surface of this planet In this novel the threat that Homo sapiens face would annihilate them in such a sudden and surprising way that no one would see it coming However Fifteen seconds before the Event Lucien walked into the ophthalmology clinic clueless to the fact that within fifteen seconds he would be experiencing the first manifestation of the Event The Event is the name that for the time being we will call the contingency that would both change the course of his life and bring History to an end And what we mean by bring History to an end is actually decide the ultimate outcome of human existence Lucien was there for a routine check up and was pleased to see that there were only two other people in the waiting room A young woman and an older lady looked up at him Hello he greeted them The elderly lady in the back of the room didn't respond The young woman answered with a shy barely murmured Hello before turning back to her magazine Thirteen seconds before the Event Lucien sat down across from her

Verbal Imagery Wade The Wordsmith,2018-11-22 You've just found a lyric pulse It's a monumental discovery A living breathing noted literature specie able to work beyond the five natural senses of physical beings A grammar entity with a transcendent dialect communicated in a fluent flow of sentences phrases verses choruses and all manner of articulations accustomed to a alphabet able to breach its own circumference The verbal imagery sets up and looks at you curious of to how far you can see into its eyes How far can you go beyond the music It stares peering into the psychological galaxies most commonly known as thoughts wondering how tuned in to your consciousness you really are and what borders might there be to prevent you from deciphering its scribing to the fullest detail To what extent can you push the comprehension accelerator to get from point A to point Z to its point made An analyzation is underway
