*Look at the Animals All Around* Deborah Bishop Allhiser,2021-03-29 My hope is that Look at the Animals All Around will bring attention to animals not all children get to see **With the S.A.S. and Other Animals** Andrew Higgins,2011-12-01 A former British Royal Army Veterinary Corps officer recalls his adventures with the Special Forces in Oman during the 1970s in this military memoir In 1970 at the height of the Cold War the young Sandhurst trained Sultan Qaboos of Oman with secret British military backing took on the communist rebels in a fierce but little known war Along with regular British Army and contract officers the SAS played a key role in this bitterly fought but ultimately successful campaign The value of winning the Hearts and Minds of the local population was quickly recognized and this is where a select band of Royal Army Veterinary Corps officers came in The local economy was a primitive one based on agriculture and the author freshly

qualified and by his own admission somewhat naive particularly in military matters found himself solely responsible for the veterinary care of a territory the size of Hungary Attached to D Squadron 22 SAS Andrew Higgins learnt how to respond to the Jebali people's love and concern for their animals who provided their livelihood goats camels sheep horses cattle even bears hunting birds and pedigree hunting dogs His firsthand experiences and anecdotes of life dealing with every level of Omani society from rulers to black slaves and their varied livestock make for wonderfully atmospheric and often amusing reading In short With the SAS and Other Animals is an unusual and potent mix of Special Forces action and veterinary experiences Readers may well conclude that it really shouldn't have happened to a vet even in a desert war Praise for With the SAS and Other Animals In a humorous style reminiscent of the James Herriot stories Andrew recalls his many adventures dealing not only with the native tribesmen and their animals but also with the Royal Household This book is very readable I found it hard to put down It gives a wonderful insight to local and expatriate life in the Middle East at the time Brigadier Paul Jepson QHVS It's not only fun to read but also rather good account of another largely forgotten campaign from a distinctly unusual perspective Country Life Magazine **Animals**, 1906 **Let's Look at the Animals** John Nielsen Præstegaard, *Look at the Animals* Brenda T.
