**Benjamin Disraeli**

## Look Look A Story:

*The Story of Opal: The Journal of an Understanding Heart* Opal Stanley Whiteley, 2019-11-25 In *The Story of Opal The Journal of an Understanding Heart* Opal Stanley Whiteley presents a vivid tapestry of her thoughts and experiences as a child in early 20th century Oregon. Written as a series of journal entries, Whiteley employs a lyrical and reflective prose style that captures the innocence and depth of a young girl's perspective on nature, family, and spirituality. The work is imbued with a sense of wonder and curiosity, echoing the literary tradition of American romanticism while also foreshadowing the introspective voices of later confessional writers. The journal serves as both a personal narrative and a broader commentary on the fleeting beauty of childhood and the intricacies of human connection in an evolving world. Opal Stanley Whiteley, 1904-1992 was an author whose deep love for the natural world and her unique upbringing significantly shaped her literary voice. Raised in a simple rural home, Whiteley's experiences of joy and hardship fueled her desire to capture the emotions and complexities of everyday life. As a child prodigy, her early writings reflect not only a rare talent but a profound sensitivity to the struggles of those around her, leading her to pen this poignant journal that remains relevant and relatable today. This book is highly recommended for readers seeking a heartfelt exploration of the human condition through the eyes of a child. Whiteley's poignant insights offer a refreshing lens on universal themes of love, loss, and nature, making *The Story of Opal* a must-read for anyone interested in memoirs, poetry, and the enduring power of an understanding heart.

*Every Short Story* by Alasdair Gray, 1951-2012 Alasdair Gray, 2012-11-15 Seventy-three short tales from Gray's earlier books are here joined with sixteen new tales. Droll, plausible, all the original illustrations with some new and endnotes to inform every curious reader.
