Ahram, 2010-06-23 Taking the field of human factors and ergonomics beyond state of the art this volume focuses on advances in the use of ergonomics modeling and on the evaluation of usability a critical aspect of any human technology system The research described in the book s 70 chapters is an outcome of dedicated research by academics and practitioners from around the world and across disciplines It provides an invaluable resource for evaluating products and environments This volume is one of seven titles in the *Advances in Human Factors and Ergonomics Series* **Beckett and Musicality** Sara Jane Bailes, Nicholas Till, 2016-04-15 Discussion concerning the musicality of Samuel Beckett s writing now constitutes a familiar critical trope in Beckett Studies one that continues to be informed by the still emerging evidence of Beckett s engagement with music throughout his personal and literary life and by the ongoing interest of musicians in Beckett s work In Beckett s drama and prose writings the relationship with music plays out in implicit and explicit ways Several of his works incorporate canonical music by composers such as Schubert and Beethoven Other works integrate music as a compositional element in dialogue or tension with text and image while others adopt rhythm repetition and pause to the extent that the texts themselves appear to be scored But what precisely does it mean to say that a piece of prose or writing for theatre radio or screen is musical The essays included in this book explore a number of ways in which Beckett s writings engage with and are engaged by musicality discussing familiar and less familiar works by Beckett in detail Ranging from the scholarly to the personal in their respective modes of response and informed by approaches from performance and musicology literary studies philosophy musical composition and creative practice these essays provide a critical examination of the ways we might comprehend musicality as a definitive and often overlooked attribute throughout Beckett s work *Ski*, 2003-04 *The Burning Inns* Bob Furlin, 2013-07-08 *The Burning Inns* is a fictionalized account of a true incident The two Inns mysteriously burned to the ground on the same spot forty seven years apart The authorities never charged or even accused anyone of arson An old man who lived through both incidents and his grandson tell the story The story spans almost a hundred years **Evangelical Pharisees** Michael Reeves, 2023-01-11 In This Follow Up to Gospel People Michael Reeves Calls Evangelicals Away from Pharisaism to True Reformation Scripture warns believers of hypocrisy called the leaven of the

Pharisees and its potential to spread quickly in the church Outwardly appearing as devout religion this legalism hides destructive pride idolatry and even apostasy Unfortunately pharisaism is still a problem among evangelicals today How does Jesus instruct the church to recognize and defeat one of its deepest theological issues In this clear compelling call to spiritual reformation Michael Reeves helps believers reject pharisaism and embrace gospel integrity Studying 3 essentials of Christian doctrine that the Pharisees misunderstood their approach to Scripture understanding of salvation and disregard of regeneration Reeves shows readers how to embrace a biblical Trinitarian and creedal understanding of the gospel necessary for true reformation Explains the 3 Essential R s of the Gospel Teaches readers about revelation redemption and regeneration A Great Resource for Pastors and Congregations Addresses the threat of hypocrisy in the church and tackles in house issues from partisanship to pragmatism A Follow Up to Gospel People Reeves continues his study of timely evangelical topics
