

Looking Back, Looking Forward

An Adoptive Father's Sociological Testament

by H. David Kirk

Looking Back Looking Forward An Adoptive Fathers Sociological Testament

Mary Hopkins-Best

Looking Back Looking Forward An Adoptive Fathers Sociological Testament:

Looking Back, Looking Forward H. David Kirk, 1995-09-01 **Twenty Things Adopted Kids Wish Their Adoptive Parents Knew** Sherrie Eldridge, 2009-10-07 Birthdays may be difficult for me I want you to take the initiative in opening conversations about my birth family When I act out my fears in obnoxious ways please hang in there with me I am afraid you will abandon me The voices of adopted children are poignant questioning And they tell a familiar story of loss fear and hope This extraordinary book written by a woman who was adopted herself gives voice to children s unspoken concerns and shows adoptive parents how to free their kids from feelings of fear abandonment and shame With warmth and candor Sherrie Eldridge reveals the twenty complex emotional issues you must understand to nurture the child you love that he must grieve his loss now if he is to receive love fully in the future that she needs honest information about her birth family no matter how painful the details may be and that although he may choose to search for his birth family he will always rely on you to be his parents Filled with powerful insights from children parents and experts in the field plus practical strategies and case histories that will ring true for every adoptive family **Twenty Things Adopted Kids Wish Their Adoptive Parents Knew** is an invaluable guide to the complex emotions that take up residence within the heart of the adopted child and within the adoptive home Telling the Truth to Your Adopted or Foster Child Betsy Keefer Smalley, Jayne E. Schooler, 2015-09-15 Many adopted or foster children have complex troubling often painful pasts This book provides parents and professionals with sound advice on how to communicate effectively about difficult and sensitive topics providing concrete strategies for helping adopted and foster children make sense of the past so they can enjoy a healthy well adjusted future Approximately one of every four adopted children will have adjustment challenges related to their separation from the birth family earlier trauma attachment difficulties and or issues stemming from the adoption process Common complicating issues of adopted children are feelings of rejection abandonment or confusion about their origins While many foster and adoptive parents and even many professionals are reluctant to communicate openly about birth histories silence only adds to the child s confusion and pain This revised and significantly expanded edition of the award winning Telling the Truth to Your Adopted or Foster Child equips parents with the knowledge and tools they need to communicate with their adopted or foster child about their past Revisions include coverage of significant new research and information regarding the importance of understanding the child s trauma history to his or her well being and successful adjustment in his foster or adoptive family The authors answer such questions as How do I share difficult information about my child s adoption in a sensitive manner When is the right time to tell my child the whole truth How do I obtain more information on my child s history Detailed descriptions of actual cases help the parent or caregiver find ways to discover the truth particularly in closed and international adoption cases organize the information and explain the details of the past gently to a toddler child or young adult who may find it frightening or confusing **The Adoption Mystique** Joanne Wolf Small M.S.W., 2006-11-01 The framework that surrounds adoption laws

policies and practices the beliefs myths and attitudes that endow it with enhanced and profound meaning value and mystery are what author Joanne Wolf Small M S W calls the adoption mystique Its power is evident in the disparaging attitudes about adoption and adoptees held by millions of people Important issues remain buried and most of the affected have kept silent It is no wonder that we know so little about adoption and its aftermath The Adoption Mystique outlines the history and background of American adoption culture from a psychosocial or environmental perspective It looks at adoption through a series of essays that explore the hidden but powerful religious social and economic factors that affect society s image of adoption past and present The undercurrent of negative feelings and treatment accorded adoptive families and adoptive status in particular remain much the same despite recent reforms The book not only examines the problem but leads to an effective solution

Two Little Girls Theresa Reid,2007-04-03 Theresa Reid chronicles the long often excruciating and ultimately joyous journey that led her to adopt two little girls from Russia and Ukraine in an unforgettable true story of fragile hopes and steadfast love In Chicago Theresa Reid and her husband had lucrative professional careers and a beautiful home What was missing from their lives was children But they knew that in Eastern Europe there were children who were missing parents and they set out to find their family There were self doubts and gut wrenching fears mountains of paperwork and nerve wracking interviews agonizing choices and false starts There was the painful awareness of thousands of children languishing in poorly funded orphanages waiting with little hope for someone to embrace them and bring them home And there were byzantine bureaucracies and poverty stricken conditions in the former Soviet Republic where beyond the borders they crossed and the obstacles they navigated with fierce determination two little girls waited This is Theresa Reid s emotionally candid vividly detailed account of how Natalie and Lana came to be her daughters a journey into the deepest parts of a mother s heart

Toddler Adoption Mary Hopkins-Best,2012-03-15 This book offers support and practical tools to help parents prepare for and support the toddler s transition between the familiar environment of their biological parent s home or foster home to a new and unfamiliar one and considers the issues that arise at different developmental stages

Launching a Baby's Adoption Patricia Irwin Johnston,1997 Getting ready to adopt a baby under a year of age takes physical emotional financial and practical preparation just as being pregnant does This new resource provides practical strategies for making choices about names child care breast vs bottle feeding etc promoting attachment through the senses taste much smell sight etc as well as through routine adjustments between parenting partners dealing with post arrival blues bringing family and friends on board dealing with a birthparent s change of heart figuring out what s an adoption issue and what s not and more

Beating the Adoption Odds Cynthia D. Martin,Dru Martin Groves,1998 Comprehensive authoritative and proactive Beating the Adoption Odds is the indispensable manual for both those considering adoption and those working in the adoption field
