**We Are the Pathfinders Strong** Willie Oliver, Patricia Humphrey, 2000 *We Are the Pathfinders Strong* is the story of the men and women who dedicated themselves to the church's young people and the young people who joined them in this exciting program. Around the world, Adventist young people learn new skills and participate in fascinating activities, whether it be camping in the snow, exploring caves, witnessing to others, or serving as volunteers in humanitarian or civic outreaches. Whether you are a Pathfinder today, were many years ago, or would like to be, you will find this book captures the joy and excitement of being a Pathfinder.

*Thy Will Be Done* Alexander Isaacs, 2013 How does one know the will of God? For many people, the will of God seems to be a never-ending quest to uncover an illusive mystery. But for Alexander Isaacs, knowing the will of God is a way of life. Born and raised in Guyana, Alexander's early years were met with family tragedy and hardship. Through hard work and determination, he grew and thrived, especially in the classroom. Then, when he learned about God through a Branch Sabbath School program, his life changed. But what next? What should he do with his life? What career should he pursue? In what capacity should he serve God? Did God have a plan for his life? The questions of life were before him, and he wisely sought God's guidance for his life. Through prayer and fasting, Alexander waited for God to reveal His will for his life. And God did not let him down. Time and time again, Alexander has asked God for direction when faced with life decisions. And time and time again, God has led Alexander in the path he should go. Be inspired. Be motivated. Be encouraged. But above all, learn how to exercise faith in God's leadings after reading the story of a man who was willing to say *Thy Will Be Done*.

Schubert, 2013-07-12 Papua New Guinea is experiencing changes that grow in significance and accelerate in pace. Although the majority of its population are still subsistence farmers, the postmodern world is fast making an impact. That means that at the same time, they are strongly influenced by firmly ingrained tradition where animism is binding and a pervasive element, as well as Western media with its consumerism and worldview. The most impacted are youth who are caught between the traditional and postmodern culture. In a country that is Christian by constitution, pastors are looked upon with high esteem. They need to find a way to bridge the gap to make sense of the world youth are living in and find a meaningful way forward. Although this book is aimed at pastors and youth workers in PNG, other sectors can benefit from the research: politicians, educators, health workers, clergy, especially if they are coming from a different culture, be that from PNG or another country.
