Gough, 1992-01-01 The voyages of Cook and Vancouver heralded a vast influx of irrepressible Europeans fur traders whalers administrators visitors missionaries miners botanists and sailors people of every class and distinction They came to conquer the Pacific its islands and its continents for God gold and glory They brought with them their morals ideologies knowledge technology plants and animals They also brought diseases rum and guns They brought with them powers to build and powers to destroy from the Epilogue The Northwest Coast was irrevocably changed the day that Captain James Cook sailed into Nootka Sound in 1778 Cook s discovery of the sea otter population along the coast initiated the maritime fur trade which in turn led to feverish competition among several nations especially Britain Russia and the United States as well as the celebrated rivalry between Spain and Britain for control of Nootka By 1812 a toe hold of British empire was established and the aboriginal way of life was shattered The Northwest Coast documents Britain s rise to pre eminence in this far flung corner of the empire It shows how the relentless activities of its commercial interests the adroit use of its naval power and the steely resolve of its diplomats secured British claims to dominion and rights to trade along the Northwest Coast Written by a leading maritime scholar and based on fresh research into known manuscripts and printed works on Pacific trade and exploration this book incorporates new interpretations on exploration and commercial activity in this area It documents the interaction often violent between British sailors and aboriginal people depicts many of the rivalries among British mariners and examines various claims to the discovery of the Northwest Passage The Northwest Coast significantly expands and updates the author s award winning book *Distant Dominion* Gough s compelling narrative combined with his extensive use of quotations from the journals and correspondence of explorers and merchant traders provide insights into the motives and attitudes of these early pioneers of the empire *Indigenous Legalities, Pipeline Viscosities* Tyler McCreary, 2024-04 Indigenous legalities pipeline viscosities examines the relationship between the Wet suwet en nation and pipeline development showing how colonial governments and corporations seek to control Indigenous claims and how the Wet suwet en resist Tyler McCreary offers historical context for the unfolding relationship between Indigenous peoples and colonialism and explores pipeline regulatory review processes attempts to reconcile Indigeneity with development as well as fundamental questions about territory and jurisdiction Throughout McCreary demonstrates how the cyclical and ongoing movements between resistance and reconciliation are affected by the unequal relations between Indigenous peoples and colonial government and development operations **Marius Barbeau's Vitalist Ethnology** Frances M. Slaney, 2023-03-28 This book examines Marius Barbeau s career at Canada s National Museum now the Canadian Museum of History in light of his education at Oxford and in Paris 1907 1911 Based on archival research in England France and Canada Marius Barbeau s Vitalist Ethnology presents Barbeau s anthropological training at Oxford through his

meticulous course notes as well as archival photographs at the Pitt Rivers Museum and the Bibliothèque et Archives nationales du Québec. It also draws upon Barbeau's professional correspondence at Library and Archives Canada, the BC Archives, and above all the National Museum where he worked for over four decades. The author Frances M. Slaney sheds light on the professional life of this founder of Canadian anthropology, exploring his difficult working relationships with Edward Sapir, his collaborations with Franz Boas, and his outstanding fieldwork in rural Quebec and with Indigenous communities on British Columbia's Northwest Coast. Barbeau penned over 1,000 books and articles in addition to curating innovative museum exhibitions and art shows. He invited a Group of Seven artists into his field sites, convinced that their works could better capture the vitality of Quebec's rural culture than his own abundant photographs. For these and many other contributions, the Historic Sites and Monuments Board of Canada recognized him as a person of national historic importance in 1985.

The Publishers Weekly, 1921 *The Pacific Northwest* Joseph Gerald Drazan, 1979 Around the World in Eighty Hours William Wallace Cook, 1925 Becoming Tsimshian Christopher Fritz Roth, 2008. *Becoming Tsimshian* examines the way in which names link members of a lineage to a past and to the places where that past unfolded. At traditional potlatch feasts, for example, collective social and symbolic behavior gives the person the name. Oral histories recounted at a potlatch describe the origins of the name of the house, lineage, and of the lineage's rights to territories, resources, and heraldic privileges. This ownership is renewed and recognized by successive generations, and the historical relationship to the land is remembered and recounted in the lineage's chronicles or *adawx*. *El-Hi Textbooks in Print*, 1962
