Confesiones De Un Psiquiatra Margarita Lourenco, 2011-06-03 Confesiones de un Psiquiatra un relato escrito en forma coloquial sin someterse a tradiciones o formatos literarios El autor relata algunos fragmentos de su vida exitosa y azarosa en una forma sencilla a la vez que hace reflexiones sobre diversos temas que tienen alguna relación con sus vivencias desde aspectos muy comunes de la vida cotidiana hasta reflexiones sobre aspectos de tipo filosófico psicológico sociopolíticos entre otros En sus relatos no sigue una forma cronológica exacta sino que muchas veces avanza y

retrocede para comunicarse con el lector como si lo tuviera frente a él como un interlocutor válido. Siendo un libro motivador, comunica no solo experiencias conducentes al éxito sino también comparte situaciones de fracaso y dolor y la forma de superarlas. Lo más característico es la transmisión en forma consistente de mensajes positivos que insiste en transmitir a sus lectores haciéndoles partícipes de las experiencias de un ser real y hasta cierto punto considerado reservado y enigmático como se suele pensar de un psiquiatra. El autor venció todas esas barreras y se revela tal como ha sido y sigue siendo a como lo haría en el sillón de un psicoterapeuta o en el confesionario. El autor está consciente de los riesgos que puede correr un profesional de la salud mental que se destapa y desprende de todo prejuicio con la esperanza de poner a la disposición de sus lectores un testimonio del cual pueda sustraer algo útil para sus vidas y sus ocupaciones o profesiones. Habiendo enfrentado tantas situaciones de alto riesgo, el autor hace apología del ejército de ángeles que lo han protegido y que él identifica con los seres a quien ha dado amor y respeto y que le han retribuido esos afectos en forma incondicional tanto en su familia como en muchas personas que fue encontrando en su largo recorrido por el mundo. De formación transcultural, el autor ha podido convivir armoniosamente con personas de diversas creencias religiosas, políticas y origen étnico. El autor ha hecho muchas renunciaciones, excepto renunciar a vivir en libertad lejos de los opresores de las libertades y derechos individuales y no renuncia a la esperanza de algún día vivir en un mundo libre de prejuicios, estereotipos y dictaduras depredadoras y brutales, ni tampoco renuncia a la esperanza de que cada ser humano pueda aprender a usar los recursos personales que todos poseemos para ser ricos, interdependientes y exitosos en vez de pobres, lastimosamente dependientes y fracasados. El mensaje que el autor intenta transmitir en sus confesiones es un mensaje de vida y prosperidad por medios éticos, repudiando enfáticamente el lema de que los fines justifican los medios.
