

# LESSON 1: INCREASING PATTERNS

## **Materials & Resources:**

- Pattern blocks
- Practice sheets
- Mini whiteboards
- Task cards

## **Lesson:**

- Show a growing pattern on the board. Ask the students why they think the pattern is a growing pattern.
- Allow the students to extend the pattern on their own mini whiteboards. Ask the students to show to you (teacher) the extended pattern they drew and why.
- Give students pattern blocks and have students build figures 1, 2, & 3. As the students build ask them the following questions:
  - What stays the same in each figure in the pattern? What changes each time? What happened to the shape in figure 1 and 2? Figure 2 to 3? How will you make Figure 4?
- Using the board, invite students to make the shape. As they draw the shape, ask them the following questions:
  - What are they doing and why? How does the pattern start? What is added each time? What is the pattern rule?

## **Task Cards:**

- Print off & laminate the task cards. While teaching the lesson, the task cards can be handed out to individual students or groups and have the students work through the problems.
