## Paul Cox:

*New York Magazine*, 1994-10-31 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

**Design & art** Paul Cox, 2019 *True Stories of Law & Order* Kevin Dwyer, Juré Fiorillo, 2006-11-07 *True Stories of Law Order* reveals the fascinating and shocking facts behind 25 of the hit show's most popular episodes from the incredible account of how a woman's repressed memory leads to the solving of a 30-year-old cold case to the high-profile investigation of transvestite millionaire Robert Durst. And just like in *Law Order*, the actual crime is just the beginning as you follow these cases from the initial stages of the investigation through the trial and up to the often-controversial verdicts. Part of the reason millions of fans tune in to *Law Order* is the gritty realism of its storytelling. The monumentally popular show has included many episodes inspired by actual cases ripped from the headlines—true crimes that are often stranger and more chilling than fiction.

He leads his highly trained Special Assignments Unit of the Phoenix Police Department up against the most feared radical Islamist terrorist group known to the West. He and his partner David Rourke discover a terrorist plot against the United States. With the help of Officer Steven Patterson's contacts, they race against time and politics to stop the deadly terrorist attack. Along the way, they discover the terrorist plot is worse than they ever imagined—worse than 9/11. Follow Officer Steven Patterson as he puts the pieces of a criminal investigation together: an investigation that involves a dangerous and toxic relationship between deadly Mexican drug cartels and radical Islamic Middle Eastern terrorist organizations. Join him on a journey of heroism, courage, and faith: a journey to save the innocent and to do whatever it takes to defeat the enemy and protect his beloved country, the United States, even if it means crossing the lines of the law and morality.
