## **Paul And Jesus:**

**Paul and Jesus** James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today

**Paul, the Apostle of Jesus Christ** Ferdinand Christian Baur, 2021-05-28 Baur's Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, 'The Life and Activity of the Apostle Paul', consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, 'The Epistles of the Apostle Paul', is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans, the deutero-Pauline epistles, Ephesians, Colossians, Philippians, Thessalonians, Philemon, and the Pastoral Epistles 1 and 2 Timothy, Titus). In the first two parts, Baur's historical-critical skills are at their finest. The third part, 'The Apostle's Theological Framework', draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident. The earlier English translation is no longer adequate. Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek. Baur on Paul truly becomes available in English for the first time.

**Paul and Jesus** David Wenham, 2002-01-01 It has been fashionable in New Testament scholarship to view the apostle Paul as a religious freelancer who corrupted Jesus' teachings. David Wenham has written convincingly against this view, and in this new book he introduces readers to the true Paul. Rooted in a thorough knowledge of the New Testament, this book fulfills two important purposes. First, it provides a superb introduction to Paul himself. Wenham describes Paul's early life, shows the importance of his conversion, and follows him on his missionary journeys. Second, the book explores Paul's relation to Jesus. Writing in dialogue with those who wish to distance Paul from Jesus, Wenham shows just how important the ministry and teaching of Jesus were to Paul's own thought and evangelism. What emerges from a study of Paul's epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world.

**Paul and Jesus** F. F. Bruce, 2020-01-24 No contemporary evangelical scholar is better equipped than England's F. F. Bruce to refute the proposition advanced by liberal higher critics that the theology of Paul represented a departure from that of Jesus. The Rylands Professor of Biblical Criticism and Exegesis at the University of Manchester admits differences in form between the messages of Jesus and Paul, crediting the dissimilarities to different perspectives. But after Bruce delineates Paul's gospel, distinguishing between those elements Paul received from God directly and those received from Christian tradition, he demonstrates that the ways of salvation to which Paul and Jesus pointed were identical in essence. Especially when discussing ethical matters, Paul was frequently dependent on Christ's very words. Bruce concludes by tying

Paul's concept of the Lordship of Jesus to both Old Testament wisdom and the earliest Christian confessions *Paul and Jesus* James D. Tabor, 2012-11 **Jesus Have I Loved, but Paul?** J. R. Daniel Kirk, 2012-01-01 Readers of the Bible are often drawn to Jesus's message and ministry but they are not as positively inclined toward Paul. What should people who love Jesus do with Paul? Here Pauline scholar J. R. Daniel Kirk offers a fresh and timely engagement of the debated relationship between Paul's writings and the portrait of Jesus contained in the Gospels. He integrates the messages of Jesus and Paul both with one another and with the Old Testament, demonstrating the continuity that exists between these two foundational figures. After laying out the narrative contours of the Christian life, Kirk provides fresh perspective on challenging issues facing today's world, from environmental concerns to social justice to homosexuality. *Jesus the Lord according to Paul the Apostle* Gordon D. Fee, 2018-01-02 Representing the fruit of a lifetime of study, this work from a revered evangelical scholar provides a concise summary of Paul's teaching about Jesus. Over the years, Gordon Fee has written and taught extensively on Paul's understanding of the person of Christ. In this handy volume, he offers the results of his exegetical work in a form accessible to any interested reader of Scripture. The book includes a foreword by Cherith Fee Nordling. Paul and Jesus Johannes Weiss, 2023-07-18 A groundbreaking work of biblical scholarship, this book reexamines the relationship between the apostle Paul and the historical Jesus. With fresh insights and bold perspectives, it offers a compelling new vision of these two pivotal figures and their roles in the development of Christianity. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. Barnes, 1994 **The Two Gospels - Paul & Jesus** Donald Werner, 2017-08-22 While the modern-day Christian Church follows the Gospel of Paul, it wasn't always so. The early church followed the Gospel of Jesus. There are two Gospels. I doubt that many people realize that there are two Gospels and they are polar opposites. The church jumps through hoops and does all it can to synchronize Paul's teachings with Jesus' teachings, but it failed. When you read in this book the comparison of the two Gospels, you will see why they are incompatible. They are so incompatible that they can't both exist in the church, so the church has rejected Jesus' Gospel in favor of the Paul's Gospel of lawlessness. The second half of the book deals with Paul. Many love Paul and his teachings and embrace them in place of Jesus' teachings. Others see Paul as an anti-Christ figure teaching a Gospel that is the opposite of the Gospel Jesus taught. I lay out the facts, and you will have to decide for yourself. Did St Paul Get Jesus Right? David Wenham, 2011-10-19 Was St Paul a distorter of Jesus' original message or a faithful follower? Over recent years, some critics of Christianity have claimed that while Jesus was a gifted teacher and a man of

unparalleled kindness St Paul was the true founder of Christianity which he based on a delusional mistake the idea that Jesus was God This theory has found its way into academia churches newspapers and most recently novels In Did St Paul Get Jesus Right respected New Testament scholar David Wenham looks at the historical evidence for such claims Comparing the life and message of Jesus with the writings of St Paul he offers a thoughtful exploration of their relationship concluding that far from imagining Christianity Paul was the messenger of an inherited faith

*Paul and His Life-Transforming Theology* Roger Mohrlang,2013-02-12 Here is a concise inviting introduction to the greatest of the early Christian missionaries the Apostle Paul his life his letters his thinking and the life transforming gospel he proclaimed Readers will find this book academically stimulating theologically rich and personally challenging It highlights the ways Paul s life and thinking differ from and challenge the life and thinking of Christians today Written in nontechnical language for both Christian students and general Christian readers this book the result of a lifetime of studying and teaching Paul s letters will be helpful to all students and teachers of the Bible who want a deeper understanding of Paul his theology and the implications of his powerful letters for Christians today

*One Faithful Life* John F. MacArthur,2019-04-02 Experience Paul s world changing writings in the full chronological context of his life story from Pharisee and persecutor of the church to the most influential defender of the gospel of Jesus Christ Paul a servant of Jesus Christ So goes Paul s typical introduction a modest title for one of Christianity s most authoritative figures Unique among the apostles Paul was well educated and well respected in the Jewish community of the day His story is one of dramatic conversion and passionate instruction His life s work was becoming a servant of Jesus Christ From pastor and teacher Dr John MacArthur One Faithful Life is the first of its kind harmony of Paul s message and life As with One Perfect Life which weaved the Gospels into the seamless narrative of Jesus life One Faithful Life walks us chronologically through the biblical ministry of Paul tying together background information from the Gospels the book of Acts and Paul s epistles to the growing movement of Christ followers In this comprehensive storyline of the Apostle Paul s life you ll find Verse by verse explanations and section introductions from one of the most respected pastor teachers of our time Introductory commentary of the major themes and purpose of each of Paul s letters A fresh perspective on the enduring truths of the gospel message

[Not Paul, But Jesus](#) Jeremy Bentham,1823

**When Paul Met Jesus** Stanley E. Porter,2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9 1 9 and its parallels 1 Corinthians 9 1 and 2 Corinthians 5 16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this

discovery are then explored in important Pauline passages that draw Jesus and Paul back together again **Paul and Jesus** Alexander J. M. Wedderburn, 2004-07-09 The relationship between the messages of Jesus and Paul once dubbed by one scholar the second founder of Christianity must count as one of the most central issues in the study of the New Testament The essays collected in this volume first survey the history of the study of this problem and look at some of the main evidence for supposing that the connection between Jesus and Paul was slight notably the paucity of Paul's references to Jesus teachings and his seeming disinterest in the earthly Jesus Other essays take up the question of the continuity between the teaching and the manner of life of the two men and raise the question how this continuity may have been mediated from one to the other A final essay raises the question how far Paul's statements about Christ were related to the earthly life of Jesus This volume brings together a number of substantial contributions to this question by Professor V P Furnish of Dallas by two scholars from the German Democratic Republic Professor N Walter and Dr C Wolff and by the editor some are published for the first time some are here made available in English for the first time **In Search of Paul** John Dominic Crossan, Jonathan L. Reed, 2004-11 With dusty tired much traveled Paul came Rome's most dangerous opponent not legions but ideas not an alternative force but an alternative faith Paul too proclaimed one who was Lord Savior Redeemer and Liberator He announced one who was Divine Son of God God and God from God But Paul's new divinity was Christ not Caesar His was a radically divergent but equally global theology from the Prologue Many theories exist about who Paul was what he believed and what role he played in the origins of Christianity Using archaeological and textual evidence and taking advantage of recent major discoveries in Italy Greece Turkey and Syria John Dominic Crossan and Jonathan L Reed show that Paul was a fallible but dedicated successor to Jesus carrying on Jesus's mission of inaugurating the Kingdom of God on earth in opposition to the reign of Rome Against the concrete backdrop of first century Greco Roman and Jewish life In Search of Paul reveals the work of Paul as never before showing how and why the liberating messages and practices of equality caring for the poor and a just society under God's rules not Rome's were so appealing Crossan and Reed's concise engaging prose conjures up the complex and rich world of Paul's time from the imperial intrigues of Rome to the theological infighting among Christian communities in Greece and Turkey to the beautiful landscapes and the cultural conflicts of the Middle East The illustrations and short rich you are there descriptions help the reader to follow in the footsteps of Paul and indeed in the footsteps of Christianity **Perspectives of Jesus in the Writings of Paul** Gerry Schoberg, 2014-02-27 The critical question of the relationship between Jesus and Paul has been well established in New Testament studies for over 150 years and it needs to be addressed with all the tools of historical criticism that scholarship has developed So states Gerry Schoberg at the beginning of this new and important work that does just that By coupling comparative instances in the gospels and the works attributed to Paul Schoberg invites the reader to enquire more profoundly than in past studies as to the nature of the relationship between Jesus and the most dramatic of Christian converts At the heart of this study is not only the question of

whether the New Testament truly gives a unified vision of the Christian movement but also how the early followers of Jesus felt able to draw such insightful conclusions about him Answering such questions through the study of Jesus and Paul offer an insight as to how one is to make theological sense of the many details experienced from day to day and thereby live a life in Christ *Paul and Jesus* Johannes Weiss, 1909 *Understanding Paul* Stephen Westerholm, 2004-08-01 Two thousand years later Paul attracts more attention than any other figure from antiquity besides one writes Stephen Westerholm Why the fascination with the apostle Paul Westerholm explains that Paul remains such a compelling figure because he was a man completely captivated by a particular way of looking at life Using the themes of the Epistle to the Romans Westerholm helps readers understand the major components of Paul's vision of life He delves into the writings of the Old Testament explores their influence on Paul and engages contemporary readers in a thought provoking reconsideration of their own assumptions about faith theology and ethics This insightful introduction gives postmodern readers especially those with little or no biblical background a necessary big picture look at Paul's view of reality
