Reflections Of Heaven:

Reflections of Heaven Daneman, *Reflections of Heaven* Peter Shockey, 1999 The stories of divine intervention in people's everyday lives continued to occupy Peter Shockey's thoughts even after his documentaries on the subject for The Learning Channel had been completed and garnered numerous awards In *Reflections of Heaven* Shockey shares the most compelling accounts he has heard over the past decade and also offers profound insight into what the increasing presence of the divine in daily life can mean in the new millennium Beginning with his own personal story Shockey goes on to introduce others who relate their miraculous experiences ranging from visions of heaven to the presence of angels He then puts these encounters in an enlightening context as he explores discernible patterns of divine intervention in history as well as in the Bible In doing so he takes readers on an unforgettable spiritual odyssey that will change the way they look at the here and now and the hereafter
