**Midnight's Budding
Morrow** Carolyn Miller,2022-05-31 A journey of poignancy and hope difficult to put down I loved it Jennie Goutet author of the Clavering Chronicles series Sarah Drayton is eager to spend a holiday at her best friend's crumbling Northumberland castle estate Alas rather than easy companionship with her dear friend she finds herself being inveigled into a marriage of convenience with her friend's rakish brother When James Langley returns to his family's estate war is raging and he wants only distraction not serious tethers But his roguish ways have backed him into a corner and he has little choice but to obey his father's shocking decree marry before returning to war or else Suddenly he finds himself wedded to a clever and capable woman he barely knows Sarah craves love and a place to belong neither of which James offered before returning to the battlefield Now everyone around her thinks she married above her station and they have no intention of rewarding her for such impertinence Only when her husband returns from war does she begin to hope they may find real happiness When tragedy strikes this pair must learn to trust God and cling to the belief that even in the darkest depths of night the morning still holds hope

Dusk's Darkest Shores Carolyn Miller,2021-05-18 How can a meek wallflower help a returning war hero whose dreams are plunged into darkness Mary Bloomfield has no illusions Her chances for matrimony have long since passed her by Still her circumstances are pleasant enough especially now that she has found purpose in assisting her father with his

medical practice in England's beautiful Lake District. Even without love it's a peaceful life. That is until Adam Edgerton returns to the sleepy district. This decorated war hero did not arrive home to acclaim and rest but to a new battle against the repercussions of an insidious disease. Mary's caring nature cannot stand to see someone suffer but how can she help this man see any brightness in his future when he's plunged into melancholic darkness, his dreams laid waste by his condition? Adam wants no charity but he's also no coward. If this gentle woman can work hard, how can he do less? Together they struggle to find a way forward for him. Frustration and antipathy slowly develop into friendship and esteem. Then a summer storm atop a mountain peak leads to scandal and both Mary and Adam must search the depths of their closed hearts for answers if they hope to find any future path with happiness at its end.
