

# COMMITTEE REPORT TO THE BOARD

## MEMORANDUM

The Committee on Technology Innovation ("Committee") is pleased to report to the Board on its activities during the past year. The Committee's primary focus is to ensure that the organization's technology strategy is aligned with the organization's overall business strategy.

## Key Objectives

- Enhance operational efficiency
- Increase customer and partner loyalty
- Strengthen cybersecurity
- Support the organization's growth strategy
- Optimize costs

## Key Findings

1. **State of Digital Innovation Report:** The Committee found the state of digital innovation to be strong, with significant progress in several key areas. However, there are still several areas that need attention, including the need to improve the organization's data security posture. The Committee will continue to monitor these areas and report back to the Board.
2. **Customer Experience and New Market:** The Committee found that customer experience and new market entry are two of the organization's top priorities. The Committee will continue to work with the organization's marketing and sales teams to improve customer experience and explore new market opportunities. The Committee will also continue to work with the organization's operations and finance teams to ensure that the organization is well-positioned to enter new markets.
3. **Building Data-Driven Decision Making:** A key objective of the organization is to build a data-driven decision-making culture. The Committee will continue to work with the organization's IT and analytics teams to improve the organization's data capabilities and ensure that the organization is well-positioned to make data-driven decisions. The Committee will also continue to work with the organization's business units to ensure that they are using data effectively to drive business results.
