Long Loneliness:

The Long Loneliness Dorothy Day,1996-12-06 A compelling autobiographical testament to the spiritual pilgrimage of a woman who in her own words dedicated herself to bring ing about the kind of society where it is easier to be good

Theology as Autobiography Colby Dickinson,2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one s humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes

Foster, 2001-11-27 The author of the bestselling celebration of discipline explores the great traditions of Christian spirituality and their role in spiritual renewal today In this landmark work Foster examines the streams of living water the six dimensions of faith and practice that define Christian tradition He lifts up the enduring character of each tradition and shows how a variety of practices from individual study and retreat to disciplines of service and community are all essential elements of growth and maturity Foster examines the unique contributions of each of these traditions and offers as examples the inspiring stories of faithful people whose lives defined each of these streams **The Long Loneliness** Dorothy Day, 1959 *Adventure*, 1922 **The American Theosophist**, 1912 **Summary of Dorothy Day's The Long Loneliness** Everest Media, 2022-05-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 My mother's family history is rich with tradition She told me stories of when she was a little girl and I loved hearing about her family's history It gave me a sense of continuity 2 We have lost our culture and our faith and we are afraid to be either proud of our ancestors or ashamed of them We have adopted a bourgeois mediocrity that would make it seem like we are all Americans made in the image and likeness of George Washington 3 We did not search for God when we were children We took Him for granted We were taught to say our evening prayers and then we would not pray anymore unless a thunderstorm made us hide our heads under the covers and propitiate the Deity by promising to be good 4 I can remember my religious experiences from when I was a child I can remember the happy hours on the beach with my brothers and fishing in a creek for eels and running away with a younger cousin to an abandoned shack in a waste of swamp around Fort Hamilton **Literary Digest**, 1921 **The Literary Digest** Edward Jewett Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1921 All the Year Round, 1884 *Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical*
