

## **A Long Lost Love**

**I fell in love and lost my heart  
and that was why it tore apart.  
The love given wasn't returned  
by the one for whom it had yearned.**

**It all seemed so sad at the time  
I often thought it was a crime.  
But then I could be so naive  
early in life's path to believe.**

**Nature's hand had dealt me a blow  
and recovery was very slow.  
Everyone I asked was futile  
in answering to make me smile.**

**I sought for love in wrong places  
and all I got was strange faces;  
looking back at me with contempt  
'cause in their heart love was exempt.**

**Rejection is a dreadful thing  
and everyone has felt its sting.  
A love you may feel for someone  
is best experienced as fun.**

**Never force love on another  
even if they're a real brother  
You'll just draw them further away  
and who knows what else is at play.**

**Selected Longer Poems** A. R. Ammons, 1980-03-17 Readers already familiar with Ammons's longer mode in other books will welcome this new collection while those familiar only with the shorter poems will find their appreciation of his work both deepened and heightened The Selected Poems 1951 1977 was described by one critic as an indispensable book Selected Longer Poems is an indispensable companion to it The distinguished poet A R Ammons once described himself as not so much looking for the shape as being available to any shape that may be summoning itself through me from the self not mine but ours This availability has enabled his poetic genius to be at home in forms raging from brief lyrics the best of which he brought together in The Selected Poems 1951 1977 all the way to poems of full book length *Collected Longer Poems* Hayden Carruth, 1994 For fifty years Hayden Carruth's poetry has been distinguished by the indelible presence of passion compassion and radical philosophy Collected Longer Poems gathers the poet's choice of his narrative work and poems in sequence including his epic on the nature of romance The Sleeping Beauty and meditative poems on the rural northeast that have made him the most accessible regional poet since Robert Frost Our pre eminent poet of improvisation within form Carruth's renowned technical genius is perfectly matched to his ear for spoken language and narrative structure By turns caustic and hilarious his observations of that life his own and his neighbors ring as true as his ear for native speech Collected Longer Poems completes the two volume Collected Poems begun with the publication of Collected Shorter Poems in 1992 a volume that was a finalist for the National Book Award and won the National Book Critics Circle Award **Poems of John Gay: Longer poems, epistles and epistolary verse, eclogues** John Gay, 1893 **Eight Longer Poems** David R. Slavitt, 1990 David R Slavitt brings together eight poems that deal largely with the mind's relation to history personal history and the history of myth and of empires In addressing these two seemingly independent modes of thinking and remembering Slavitt reveals that they are in fact closely related and that they are both part of our poetic consciousness **The Great War, The Waste Land and the Modernist Long Poem** Oliver Tearle, 2019-03-07 The Great War The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem Beginning with T S Eliot's The Waste Land Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems such as Hope Mirrlees's Paris A Poem Richard Aldington's A Fool I the Forest and Nancy Cunard's Parallax As well as presenting a new history of this neglected genre the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I **Collected Longer Poems** Kenneth Rexroth, 2013-05-15 This is a companion volume to the Collected Shorter Poems of Kenneth Rexroth which was published in 1967 This is a companion volume to the Collected Shorter Poems of Kenneth Rexroth which was published in 1967 All of the long poems written over the past forty years are included The Homestead Called Damascus 1920 25 A Prolegomenon to a Theodicy 1925 27 The Phoenix and the Tortoise

1940 44 The Dragon and the Unicorn 1944 50 and The Heart's Garden The Garden's Heart 1967 68 As we read the long poems together and in sequence we can see that Rexroth is a philosophical poet of consequence who offers us a comprehensive system of values based on the realization of the ethical mysticism of universal responsibility He is concerned above all with process the movement from the Dual to the Other I have tried Rexroth writes to embody in verse the belief that the only valid conservation of value lies in the assumption of unlimited liability the supernatural identification of the self with the tragic unity of creative process I hope I have made it clear that the self does not do this by an act of will by sheer assertion He who would save his life must lose it
