

A night sky with a full moon, clouds, and a shooting star. The background is a deep blue night sky with scattered white stars. A large, bright full moon is positioned in the upper left quadrant. Several wispy, light-colored clouds are scattered across the sky. A bright shooting star streaks diagonally from the upper left towards the center. In the lower portion of the image, the dark silhouettes of trees and mountains are visible against the lighter sky.

He said to them,
*“Go into all the world
& PREACH THE
GOSPEL to all creation.”*

Alexander the Great in Bible Prophecy Leonides V. Landicho,2023-06-05 This book aims to offer a biblical perspective on Alexander s story As John Calvin wrote That He presides over all wars and gives victory to whomsoever he pleases that none may think that it happens by chance His conquest of the Achaemenid Persian Empire in just over a decade is impressive but what were the chances of winning all the battles in this massive campaign Military schools have analyzed Alexander s biography and military strategies trying to decipher his winning formula Is there really a winning formula in war Historians and writers attribute Alexander s successes to his boldness adaptability charisma and strategic vision Then AW Pink wrote To say that God is sovereign is to declare that He is The Governor among nations Psalm 22 28 setting up a kingdom

Gray,2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **The Bible Study Union**
