Looking Backward 2000 1887:

Looking Backward Edward Bellamy, 1882-12-16 Edward Bellamy's prophetic novel about a young Boston man who is mysteriously transported from the 19th to the 21st century from a world of war and want to a world of peace and plenty. The year is 2000. The place Utopian America. The hero anyone who has ever longed for escape to a better life. Translated into more than twenty languages and the most widely read novel of its time. *Looking Backward* is more than a brilliant visionary's view of the future. It is a blueprint of the perfect society, a guidebook that stimulated some of the greatest thinkers of our age. Today, in the very era it attempted to visualize, it is even more compelling than ever. With an Introduction by Walter James Miller and an Afterword by Eliot Fintushel.

Looking Backward 2000 - 1887 Edward Bellamy, 2017-09-30 *Looking Backward 2000 1887* By Edward Bellamy. *Looking Backward 2000 1887* is a utopian science fiction novel by Edward Bellamy, a journalist and writer from Chicopee Falls, Massachusetts. It was first published in 1888. It was the third largest bestseller of its time, after *Uncle Tom's Cabin* and *Ben Hur: A Tale of the Christ*. It influenced a large number of intellectuals and appears by title in many of the major Marxist writings of the day. It is one of the few books ever published that created almost immediately on its appearance a political mass movement.

Looking Backward, 2000 To 1887 Edward Bellamy, 2018-04-07 It is the year 2000 and full employment, material abundance, and social harmony can be found everywhere. This is the America to which Julian West, a young Bostonian, awakens after more than a century of sleep. West's initial sense of wonder, his gradual acceptance of the new order, and a new love and Bellamy's wonderful prophetic inventions—electric lighting, shopping malls, credit cards, electronic broadcasting—ensured the mass popularity of this 1888 novel. But, however rich in fantasy and romance, *Looking Backward* is a passionate attack on the social ills of nineteenth-century industrialism and a plea for social reform and moral renewal. In her introduction, Cecelia Tichi discusses how the novel echoes the anguish and hopes of its own age while it embodies a sustaining myth of the American literary tradition: that man's perfectibility is attainable in the New World.

Looking Backward Edward Bellamy, 2020-03-18 I first saw the light in the city of Boston in the year 1857 What you say eighteen fifty seven That is an odd slip He means nineteen fifty seven of course I beg pardon but there is no mistake It was about four in the afternoon of December the 26th one day after Christmas in the year 1857 not 1957 that I first breathed the east wind of Boston which I assure the reader was at that remote period marked by the same penetrating quality characterizing it in the present year of grace 2000 These statements seem so absurd on their face especially when I add that I am a young man apparently of about thirty years of age that no person can be blamed for refusing to read another word of what promises to be a mere imposition upon his credulity Nevertheless I earnestly assure the reader that no imposition is intended and will undertake if he shall follow me a few pages to entirely convince him of this If I may then provisionally assume with the pledge of justifying the assumption that I know better than the reader when I was born I will go on with my narrative As every schoolboy knows in the latter part of the nineteenth century the civilization of to day or anything like it did not exist although the elements which were to develop it were already in ferment Nothing had however occurred to modify the immemorial division of society into the four classes or nations as they may be more fitly called since the differences between them were far greater than those between any nations nowadays of the rich and the poor the educated and the ignorant I myself was rich and also educated and possessed therefore all the elements of happiness enjoyed by the most fortunate in that age Living in luxury and occupied only with the pursuit of the pleasures and refinements of life I derived the means of my support from the labor of others rendering no sort
