## Looking God In The Eye:

You Are the Apple of God's Eye Rod W. Larkins, 2018-09-18 It's time to awaken your true self You are the apple of God's eye It has been said that the church is suffering an identity crisis Perhaps this is why we have so many Christians sitting in the church not knowing who they are or what their purpose is in life It's as if they have become orphaned unable to discover their godly inheritance It is important to know who we are in Christ and what we have a right to but it is equally important to have a full understanding of our spiritual birthright The true spiritual life is so much more than just being a good person going to church or performing good deeds The true spiritual life is royal Christ did not come to earth to establish a religion He came to awaken royalty There is nothing more exciting than discovering who we are in him We were created to reign We are meant to shine We are destined to be loved and to reflect God's love to the world So get ready You are about to embark on a great journey As you read the pages of this book you will discover that you don't have to wait for heaven to be spiritually alive Life is yours now This book is a beautiful revelatory masterpiece of the saints of God being taught and equipped on how to walk in their new creation identity Pastor Brandon Cornelius Sr Founder and Leader of Glory Revival Center You are the Apple of God's Eye is a powerful and life impacting book that is scripture based to open you up as to how you can fit into the kingdom of God I was truly brought back to understanding the importance of my position within the kingdom of God This book is necessary for inspirational kingdom daily living Pastor C L Collins Jr Kingdom Bound Community Church God's Eye View Tommy Tenney, 2008-07-13 The bestselling author of The God Chasers uses scripture to illustrate the power of worship to alleviate your suffering by turning tragedies into triumphs In God's Eye View Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly time bound viewpoint The higher we go the smaller our problems seem Tenney also teaches the Principle of Magnification The closer you get to something the bigger it appears In other words worship not only shrinks our problems it also magnifies God in our lives and to others Worship doesn't really change our problems it just minimizes their influence over us as we focus on God He doesn't promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard Higher than a bird's eye view higher than a man's eye view is God's eye view Mark Richard I. Deibert, 1999-09-01 Mark challenges the reader to believe in the mystery of God that even through difficult times God reigns Mark's Gospel carries the reader from the desert wilderness to Jerusalem and from the crisis of the cross to the victory of the empty tomb Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and

older youth IBS can be used in small groups in church school classes in large group presentations or in personal study
