Patrias O Planeta:

Another Production Is Possible Boaventura de Sousa Santos,2020-05-05 This is the second volume after Democratizing Democracy of the collection Reinventing Social Emancipation Towards New Manifestoes Here the author examines alternative models to capitalist development through case studies of collective land management cooperatives of garbage collectors and women's agricultural cooperatives He also analyzes the changing capital labor conflict of the past two decades and the way labor solidarity is reconstituting itself under new forms from Brazil to Mozambique and South Africa

Dependency Theory After Fifty Years Claudio Katz,2022-03-16 This book received the Libertador Prize for Critical Thought 2018 demonstrating a renewal of interest in Dependency Theory That conception initially included distinct forms of Marxism liberalism and developmentalism that should be differentiated despite sharing the same name The later retreat of that approach contrasts with the growing present day relevance of its postulates Latin America bears the effects of dependency even more acutely than in the past making it imperative to understand the logic of its peripheral subordination Dependency Theory in its original form is insufficient for explaining contemporary reality it must be updated to interpret the current modalities of dependent capitalism This book offers analytical clues to that reinvention OS LUSIADAS Luiz de
