## **Pattern Of Maugham:**

The Pattern of Maugham Anthony Curtis,1974 This interesting and thorough study evaluates the whole of Maugham s huge literary output as dispassionately as possible The author formerly with the London Times Literary Supplement is guided by his affection and sympathy with the man and his work In tracing the ideas which influenced Maugham the social background which formed him and the intellectual climate of the times the author offers a portrait of a man whose one real passion was literature Maugham wrote short stories novels and plays which are discussed and analyzed in detail This is not a biography of the man but of the writer and the struggles and successes he found in his chosen profession The Pattern of Maugham Anthony Curtis,1974 The Philosophic Pattern of W. Somerset Maugham Jane Bricken,1943 **Self-same Songs** Roger J. Porter,2002-01-01 Self Same Songs constitutes a major contribution to the growing literary study of autobiography Using a range of authors including Homer Edward Gibbon Benjamin Franklin Somerset Maugham Franz Kafka and Eug\_e Delacroix Roger J Porter offers a broad based examination of the autobiography and the varied techniques used by its practitioners over time In a style that is both graceful and erudite Porter focuses on the diverse motivations and rhetorical functions that the act of self writing serves for particular writers He reflects on the texts not only as an exploration of self identity but also as the writers attempts to modify the life in the act of writing about it Then stepping out of his critical role Porter ends each chapter with an autobiographical discussion of his professional and personal engagement with the autobiographer under discussion creating an intriguing and absorbing literary autobiography within the critical text *Mr. Maugham's Pattern* Graham Greene,1938 The Autobiographical and Spinozistic Elements in Maugham's Of Human Bondage Ben Franklin Miller,1940 **The Characteristic Pattern of Unconventionality in the Dramatic Writing of W. Somerset Maugham** Frederick William Sinfelt, **The Foreignness of Foreigners** Vanessa Alayrac-Fielding,Claire Dubois,2015-06-18 This collection of essays examines the various encounters between Britain and the Other from a cultural racial ethnic artistic and social perspective It investigates the constructions of various figures of the foreigner in the British Isles through representations and discourses in the political and literary fields as well as in the visual arts from the 17th century to the contemporary period This volume presents a diverse selection of contributions which offer some common concerns abo Orienting Masculinity, Orienting Nation Philip Holden,1996-07-30 Although their settings span a wide geographical area from the South Pacific to India Maugham s exotic short stories novels and travelogues all ultimately focus on the creation of a masculine British identity In this first book to address Maugham s fiction in light of recent developments in postcolonial gender and cultural theory Holden argues that Maugham s work can be understood as an attempt to negotiate between two alternative masculine identities those of private homosexual and public writer Holden identifies Maugham s attempts to cultivate a public persona as a writer whose heterosexuality is confirmed through a process of control of language Furthermore Holden illuminates the fluidity of language that Maugham in contrast to his public persona associated

with homosexuality The basis of this study is the provocative notion that Maugham's texts despite their exotic locations ultimately dramatize a struggle over masculine British identity

**With The Tiger** Inez Baranay, 2014-02-20 Australian teenager Larry Darrell goes on a backpacking trip to India and finds his life changed for ever Back home he refuses the opportunities and privileges of his former life and breaks up with his fiancée Isabel His travels seeking the meaning of chance and death take him to personal growth workshops a fashionable ashram the worlds of art and politics a Buddhist monastery and an Indian saint Meanwhile Isabel achieves wealth and status in marriage with Grey a Queensland property developer By the end of the 1980s they are bankrupt and disgraced And Isabel will stop at nothing to get Larry back Ten years later they meet again in Sydney along with Isabel's camp domineering uncle Elliott their grieving badly behaved old friend Sophie and Will Maugham the playwright who narrates this story *With The Tiger* is a contemporary take on the Somerset Maugham novel *The Razor's Edge* 1944 which popularised the idea of the Westerner's search for meaning in spiritual India

*Digressions and the Human Imagination* Morten Nielsen, 2024-09-30 *Digressions and the Human Imagination* makes a significant contribution to our anthropological knowledge about human creativity The creative force of the human imagination is widely considered as a key ingredient in understanding how social and cultural transformations occur And yet what we know about the nature of creative processes is surprisingly limited Taking their cue from literary studies the contributors to this volume explore digression as human creativity's main impulse They offer a series of experimental explorations of digression in different arenas of social life literature conversations myths humour art and wayfinding In their examination of the relationship between creativity and digressive processes the contributions challenge and eventually collapse conventional distinctions between artistic and scientific imaginaries This book articulates with clarity the freedom and joy of wandering off in new directions but also the potentially transgressive and even revolutionary character that digression has when it is put to work through the creativity of the human imagination It will be relevant for anthropologists and other scholars from across the humanities and social sciences with an interest in creativity
