Patterns Of Good Evil:

An Actological Theology Malcolm Torry, 2024-05-30 An actology introduced by the first book in this series Actology Action Change and Diversity in the Western Philosophical Tradition understands reality as action in changing patterns Actological Readings in Continental Philosophy reads a number of continental philosophers through this lens and An Actology of the Given explores the concepts of the gift givenness and giving in the light of reality understood as action in changing patterns Mark s Gospel An Actological Reading is what it says it is An Actological Metaphysic is a more systematic treatment of cosmology and of such concepts as truth knowledge causality time space life and society to see what happens when they are understood actologically that is with reality understood as action in changing patterns An Actological Theology similarly asks what Christian theology might look like if God the universe ourselves and everything else is understood as action in changing patterns

A Multidisciplinary Actology Malcolm Torry, 2025-07-15 An actology introduced by the first book in this series Actology Action Change and Diversity in the Western Philosophical Tradition understands reality as action in changing patterns Actological Readings in Continental Philosophy read a number of continental philosophers through this lens An Actology of the Given explored the concepts of the gift givenness and giving in the light of reality understood as action in changing patterns An Actological Metaphysic treated a variety of metaphysical and cosmological concepts in the light of reality understood as action in changing patterns An Actological Theology asked what Christian theology looks like when understood actologically Mark s Gospel An Actological Reading was what it says it is This seventh book in the series A Multidisciplinary Actology fills some important gaps by understanding language the humanities ethics mathematics the natural sciences the social sciences psychology politics and organizational behavior actologically that is with reality understood as action in changing patterns

God's Lecture John L. Bowman, 2005-09-12 God is pissed In the beginning God created heaven earth and all the animals They were part of a grand and perfect design It worked well and God was pleased Then one of the animals man started altering the design irritating God God gave man unlike the other animals a little cleverness which has caused him to jump the tracks Using this cleverness man has conceived created and implemented incredible unnatural and convoluted ideas constructs and systems These entities are upsetting God s patterns of nature Man is now doing things God never intended This has not only made God s plans go haywire but also threatens man himself God is in high dudgeon because man s imagination is debauching his perfect world To make matters worse man audaciously blames God for a world gone crazy God has patiently endured man s accusations but now intends to set him straight on the true nature of things and explain how he has screwed things up This is God s lecture and if man has any inkling of what is good for him he will listen
