Green September Ray Vernon, 2017-03-21 It is 1993 as the head of a secret section of the British Ministry of Defense begins to execute a masterful plan he feels is the only way to break the cycle of violence in Northern Ireland and pave the way for a united country Major Kevin MacAllister is not the man everyone believes him to be Because he is a highly regarded expert on small scale nuclear weapons on both sides of the Atlantic as well as a well respected family man no one suspects that MacAllister is planning to implement in just seventeen days the first act of nuclear terrorism on the worldor that he has had a beautiful mistress for quite some time As MacAllisters plan unfolds emotions run high and tensions mount as he prepares to sacrifice his friends upstanding career and the love of his lifeall to pursue his dream Now only one question remains Will he be successful or will his dream die with him in the open sea In this international thriller an extraordinary nuclear terrorist unfurls a plan with the power to instill fear in millions of Londoners and bring the British government to its knees R.L. Polk & Co.'s St. Paul City Directory , 1901 Undesirability and Her Sisters Tiffany E. Barber, 2025-05-20 How Black women s visual work functions in an era of new racial and gender meaning In the wake of contemporary art s post Black turn and the mainstreaming of intersectionality Undesirability and Her Sisters charts a new genealogy of Black women s art that exposes the unfinished project of racial and gender empowerment in the twenty first century Tiffany Barber argues that Black women s social positions at the intersection of race gender sexuality and class are inherently queer thus spurring unexpected aesthetic strategies that throw into high relief the ethical terrain of what it means to be Black and a woman now Undesirability and Her Sisters collates what Barber terms undesirable representations of Black female bodies in recent American sculpture collage photography and dance based performance art by Kara Walker Wangechi Mutu Xaviera Simmons

and Narcissister These works not only engage the visual senses but also incorporate olfactory haptic and sonic experiences that challenge traditional interpretations of Blackness and womanhood in art history Black Studies feminist and gender studies dance and performance studies and queer studies Instead of transcendental beauty wholeness and individual and collective becoming the perverse Black female figures profiled here eschew sublimation and synthesis as necessary responses to racial and gender subjugation in the past present and future Through its unique groundbreaking analysis this book contributes to the ongoing discussions on the ethics of representation the capacity to speak and act for oneself to have significance and impact and ultimately to reject acknowledgment
