Big Moose Lake New York William L. Scheffler, Frank Carey, 2000 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in America's history This fascinating new history of Big Moose Lake New York showcases more than two hundred of the best vintage postcards available

In Plain Site Joel L. From, 2019-10-01 In Plain Site is the first life cycle biography of a Second World War air training facility in Canada It begins by locating the Royal Air Force RAF station at Caron Saskatchewan in the debates surrounding air training in Canada the British Commonwealth Air Training Plan and the UK's plans to relocate its primary air training to Canada It offers a detailed social and geographical history of the Caron site as well as the herculean efforts to acquire, erect and continuously modify its facilities Based on interviews as well as meticulous archival research in Canada and overseas In Plain Site provides a comprehensive chronicle of Caron's air training operations after hours activities supporting agencies and the struggles of its RAF personnel to make sense of the Canadian prairies In Plain Site concludes with an account of the exemplary service rendered at Caron the sudden termination of its operations and its purchase by the Briercrest Bible Institute in 1946 In its final chapter In Plain Site argues that what went on at Caron is reflective of a conceptual realignment that has had the effect of undermining the civilian military distinction Supplemented by numerous photos and extensive endnotes In Plain Site offers a compendium of Canadian and Allied wartime achievements all of which ought to be brought back into plain sight
