

Ramu and the Mangoes

Copyright@ Bedtimeshortstories.com

This is the story of a rich man who used to live in a small town in Tamil Nadu. One day he brought two big, juicy mangoes. He gave them to his servant, Ramu and told him to cut them in slices and ordered him to make two cups of coffees. One of his friends was coming to meet him up. Ramu took both the mangoes to the kitchen and cut them with the knife. To make sure they were not sour, he put one piece in his mouth to taste it. It tasted very nice. He put one more piece and in few minutes, the plate was empty.

Ramu was scared that his master would beat him after knowing that he ate both the mangoes. Soon his master called him and ordered him to bring mangoes and two cups of coffee as his friend was reaching shortly. Now, poor Ramu thought that his master would throw him out from his job. Just then, he came up with an idea. He went to his master and said, "The knife is blunt. I can't cut the mangoes with it." The master shouted at him and ordered him to get the knife so that he could sharpen it. To took a large and blunt knife and gave it to his master. While, his master was busy in sharpening the knife, he quietly went out of the house.

He saw his master's friend was coming. He stopped his there and asked his friend, "Sir, Did you had a fight with my master?" He told the servant, yesterday when his master came home, he wore his slippers by mistake. He informed his friend that his master was very angry and he was waiting for him with a sharp knife in his hand to cut off his ears. His friend did not believe the servant and peeped inside from the window. He turned back and ran as fast as he could.

Ramu then ran to his master crying, "Master! your friend has taken both the mangoes and he there he was, running away!" The master saw his friend running. He ran after his friend with a big knife in his hand. The master could not catch him. The master gave up on running and came back home. He thanked Ramu for telling him the truth . He then bought more big and juicy mangoes and gave them to Ramu as his tip. They both ate the big, juicy mangoes happily.

More Humorous Stories Introduction

In today's digital age, the availability of More Humorous Stories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of More Humorous Stories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of More Humorous Stories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing More Humorous Stories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, More Humorous Stories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing More Humorous Stories books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for More Humorous Stories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, More Humorous Stories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of More Humorous Stories books and manuals for download and embark on your journey of knowledge?
