level culture information **RSPB Spotlight Hares** Nancy Jennings,2017-06-01 Spotlight Hares is packed with eye catching informative colour photos and features succinct and detailed text written by a knowledgeable naturalist With their wild glare swift turn of foot and secretive nature hares are the rabbit s mysterious and untameable cousin Always a thrilling wildlife spot the hare has long been a symbol of Britain s sweeping open countryside Hares have also been associated with human culture and folklore for many centuries their associations with spring can be traced back to the druids Focussing on our two British species the Brown Hare found throughout the UK and widely distributed in Europe and Asia and its more northerly relative the Mountain Hare found in Scotland Ireland Scandinavia and the Russian Federation RSPB Spotlight Hares offers exciting and up to date information on these incredible lagomorphs with chapters covering their biology evolution natural history behaviour including courtship rituals and ecology Information on some of the more charismatic species of hare found elsewhere in the world and on hares other relatives the rabbits and pikas is also provided The author discusses in detail Hares interactions with humans in agriculture habitat management shooting and hunting as well as in more culinary matters and reveals why this almost mythical animal of hill and meadow is so sensitive to the changes we make to age old farming landscapes The presence and significance of hares in our culture is also discussed including the Easter hare Lewis Carroll s mad March hare and hares as shape changers Nancy Jennings also offers useful tips on where and how to see hares for yourself in the wild

Joel Chandler Harris R. Bruce Bickley, Jr.,2008-04-01 This biography and critical study reconstructs Harris s life and career from his humble origins as an illegitimate child and plantation newspaper printer s devil through his years in Macon Forsyth Savannah and Atlanta When Harris died in 1908 his national and international popularity rivaled his friend Mark Twain s A psychologically complex person Harris became an accomplished Southern local colorist who left multiple legacies as an American humorist folklorist New South journalist children s writer and author He helped make the Old South New Harris s Uncle Remus trickster tales derive primarily from transplanted Senegambian

African folklore and are rhetorically and sociologically complex representations of the often predatory world of Old South slave life where survival depends on trickery wit and will pitted against the brute strength of overseers and masters Controversial today because he was a white man retelling black folk narratives Harris nevertheless helped preserve the trickster tale cycle and promote black folk tale collecting generally hundreds of scholars and linguists have studied his works Harris also made Brer Rabbit the tar baby and the briar patch popular culture icons and his highly believable animal characters and dialogues influenced the techniques of Rudyard Kipling A A Milne Beatrix Potter E B White and other children s authors Finally Harris s poor white and African American characters and narratives have left their mark on writers from his time to our times from Twain to Zora Neale Hurston William Faulkner Flannery O Connor Ralph Ellison and Toni Morrison

Representing Childhood and Atrocity Victoria Nesfield, Philip Smith, 2022-12-01 Atrocity presents a problem to the writer of children s literature To represent events of such terrible magnitude and impersonal will as the Holocaust the transatlantic slave trade or the Rwandan genocide such that they fit into a three act structure with a comprehensible moral and a happy ending is to do a disservice to the victims Yet to confront children with the fact of widescale violence without resolution is to confront them with realities that may be emotionally disturbing and even damaging Despite these challenges however there exists a considerable body of work for and about children that addresses atrocity To examine the ways in which writers and artists have attempted to address children s experience of atrocity this collection brings together original essays by an international group of scholars working in the fields of child studies children s literature comics studies education English literature and Holocaust genocide and memory studies It covers a broad geographical range and includes works by established authors and emerging voices **The Book of Knowledge** Arthur Mee, 1911 **The Burt-Markham Primer.**
