

LIFE

Here on this path called life we tread,
Each step a journey, the unknown ahead,
Beneath the canopy of the azure sky,
We journey on, you and I,
From the twinkling stars to the vibrant rainbows,
Life unfolds in a symphony that constantly grows,
With every step, a story unravels along each road,
With every stride, crossroads unfurls for the young and old,
Forking into dreams and nightmares, fulfilment and disappointment,
And like a theatre where acts and roles may sway
We dance to the twist and turns with each passing day,
Through valleys deep and mountain high,
Through the sun and the stormy sky,
We sail towards a horizon filled with life's tide,
Sometimes adrift on a path of joy and other times restraint,
From the silence of solitude to the crowd's embrace,
Life's rhythm echoes in every heart's space,
So cherish every heartbeat and every breath,
Embrace every moment and every depth,
Cos through the changing seasons and twilight hush,
In each laughter's echo and silent tears,
Life is a tale etched on the fabric of our beating heart.

Estes, 2018-01-24 Excerpt from Poems for the Common People As is set forth in the title this little book will no doubt be read with pleasure by many of the common people By the literary critic it will be considered perhaps more of a promise than a performance That this is true the author admits There are a good many things to be learned about poetry and since the author wrote his first poem in 1907 he has been able to see many of his shortcomings However there are a number of people who always read the poems with interest and very often clip them for the scrap book To comply with the request that the best be published in book form we are placing Poems for the Common People before the public We trust that the indulgent reader will remember that these selections were written by a country boy who has had few educational advantages and when criticisms are to be offered let them be made known to him for his improvement To know that his little volume has done some good in the world that it has brought a bit of sunshine into some life that it has inspired greater faith in God and that some soul by reading it has been inspired to create nobler things will be a source of gladness and may encourage the author to spend an hour or so occasionally courting the Muses About the Publisher Forgotten Books publishes
