Pray Today:

Today's Prayer and Meditation Phillip C. Reinke, 2017-02 Pray without ceasing is more easily said than done Prayer and meditation are a foundational aspect of a Christian walk As we work to make our lives a prayer the depth of our talks with God go further than simple requests to spiritual introspection and reflection looking both inward and outward for answers that help us grow Today s Prayer and Meditation features 365 prayers that dig deep into the pressing questions in one s spiritual walk I have known Phil for many years and can witness to the fact that his daily prayers are exactly the way he lives his life The messages of each prayer to God takes us to higher levels of thought and spiritual understanding Even more important the prayers focus our thoughts to God and His mission and purpose for us As a professor he showed love and concern to all of his students He selflessly helped beyond their studies and mentored and coached many with addictions and severe personal issues As my friend he has been supportive and more important always in prayer for me my family and for those in the world around us I highly recommend joining with what he calls the Prayer Warriors and praying daily Mark Conroy pastor Coastal Church Daytona Beach Florida Today's Prayer Stephen Kyeyune, 2019-05-30 This book is written to all kinds of people because all of us need to pray Praying means asking None of us is exempted from praying because we are all dependants in one way or another Everything that is not God depends on God We are inadequate because there is no time we don t have expectations to meet We have shared human desires For example everyone needs to be loved We are all exclusively dependants on God because the desires of the human heart can only be found in the Lord Trying to fix things apart from God is the recipe of failure Praying is the greatest fellowship with God We pray to the all sufficient God because we are insufficient by ourselves Humanity with all human resources cannot save or fulfill itself Our desires are endless and are constantly changing For example our eyes are never satisfied with seeing we always want to see something new Our ears are never satisfied with hearing we always want to hear the current news Likewise the soul is never tired of yearning for the transcendent People take different avenues when seeking for fulfillment but only those who have discovered the power of prayer experience true fulfillment We are called to pray unceasingly because there is constantly a feeling of emptiness when we do not communicate with God Emptiness is the reality of the void that colonized the heart which was once a sacred space occupied by the Divine Praying is to be intimate with God it is having God s ear and eye in order to see the earthly things from the heavenly perspective **The Lord's Prayer for Today** William J. Carl III, 2006-10-03 This volume in the For Today series presents an accessible study of the familiar words of the Lord s Prayer Well known preacher and seminary president William Carl III interprets the prayer in light of how it was understood by Jesus disciples and also the significant role the prayer can play in the life of Christian believers today The discussion questions at the end of each chapter make this an ideal book for group study in churches or for individual reading and reflection The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and

Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use
