The Prayer Life of Jesus Raymond Bailey, 2009-01 The study of Jesus prayer life can deepen our own prayer practices These five sessions examine the importance of prayer at various stages of Jesus life and ministry He made no important decisions without consulting God

Christology at the Crossroads Jon Sobrino, 2002-11-20 What Gutierrez has done for overall theological understanding what Segundo has done for theological method and what Miranda has done for biblical studies Jon Sobrino has now done for Christology He has provided a substantial and enduring theological contribution from a Third World perspective This book will have long life since it not only argues for the necessity of a Christology from the underside of history but offers an extensive example of how such a Christology should be constructed showing the basic connection between the radical historicity of Jesus and the suffering and pain of oppressed people The thoroughness of the author's survey of other positions the fullness of his documentation and the pervasive power of his own affirmations make clear that Christology at the Crossroads will not leave us stranded at the crossroads but will start us down exciting and demanding new paths Robert McAfee Brown Professor of Ecumenics and World Christianity Union Theological Seminary The publication of Christology at the Crossroads in English is most opportune It is not only the Christology presented in this book but the Christology of the church at large indeed of the churches that stands at the crossroads at present Those of us who have been working in this field know that in order to break through some deadlocked situations we need a Christology more soberly rooted in soteriology more honestly founded upon the historical Jesus and more realistically turned towards a future yet to be realized Yet in the affluent and basically contented northern nations of the western world this kind of Christology has not so far been written To find it one must turn to the Third World theologians for the present and among these Jon Sobrino's book is a landmark

Monika K Hellwig Associate Professor of Theology Georgetown University [Do You Have a Good Biblical Prayer Life?](#) Luke L. Chapman, Charles Lee Emerson, Village Carpenter, 2013-04-22 Prayer is our lifeline unto God and unto our Lord Jesus Christ for repentance or just to enter times of entering our Heavenly Father's presence Prayer is our telephone call unto God so to speak However though many Christians never pray as they should and because of a prayerlessness life

many are spiritually robbed of God's love being revealed unto them Many of God's Children are so caught up in this world and its formalities that many seldom realize that they are even in a spiritual lack at all because of being fleshly minded not having their minds renewed as the Bible teaches us to not be conformed unto this world The Bible teaches us not to be conformed to this world This one statement should rise up the eyebrows of every Christian So that every believer could spiritually realize that they must become spiritually conscious that this world blinds us spiritually from learning about spiritual truths The Christians mind must be spiritually awakened to learn the truth of true prayer and worship and the purpose of prayer and worship unto God Letting this world's ways pass from the hearts and minds of every believer because of their minds being renewed that the Christian has grown past fleshly thinking concerning prayer That prayer has become a normal way of life for every Child of God For any believer not to have a good Biblical prayer life would be unheard of and a thing of the past Are you here my dear reading friend in your spiritual growth and your walk with God When I said that prayer was our lifeline unto God and the way that we are spiritually entered into God's Holy presence this statement is all true and all Christians must realize it and begin to practice real prayer to be entered into the presence of our Heavenly Father and His love If every Child of God knew how important prayer was to their living in life and dwelling in God's grace many would change their lives forever as God truly desires in the first place The purpose of writing a book like this little nugget as a small read yet it has its purpose and contains everything that God purposely placed in its anointed pages just for the thirsty readers drink of water for the day Many Reasons Why You Need To Pray And Establish A Good Prayer Life As a Child of God learns to establish a good prayer life you my dear reading friend will begin your spiritual journey and have God's treasures revealed and manifested unto you You must first learn that God is and that He is a rewarder of those that seek Him through and by prayer There are untold riches to be revealed and manifested unto you as a believer because of learning to go and pray and enter God's presence Daily and several times in a day why That God's Spirit may enter you into your detained fellowship with your creator God We are not waiting on God God is waiting for His Children to become Spirit led as Sons and Daughters God has many riches to make known unto you my reading friend However these things are hidden from your natural thinking God has to discern them unto you He has to reveal and manifest them unto you as a Hearer of His Spirit Prayer places you in God's presence to have God's love made known unto you a seeker of the living God which is our Heavenly Father and His love and grace that is for every Child of God to have God's all made known unto you a Son or Daughter God's just waiting on you to learn to pray as you need to pray to press on into His mighty grace towards you to express His deepest love towards you God is waiting on you to enter your times of prayer to manifest His loving grace that is hidden from your natural thinking God at this time wants you to begin a new thing in your life begin to pray differently from this day forth Teach yourself to pray until God's Spirit enters you into His presence past praying in your formalities God's Spirit can and will spiritually draw and enter you into God's presence

The Biblical Review, 1926 *Foundations for Preaching and Teaching®: Scripture Backgrounds for 2013*, 2011 *The Auburn Seminary Review*, 1899 **Old Man-New Man** Dorothy Angkahan, 2016-06-15

In a world that's fast paced for most and with all its challenges in life one may find it difficult to have time to explore the deeper meaning of life especially if one is a Christian who is struggling to maintain a continuous walk with God Of course Christians have the Bible and in them Scriptures instructions for daily living This is fine for those believers who know where to find God's truths in the Bible but what about one who may be a newly born in Christ and has no clue where to begin to look for help spiritual guidance in the Bible This book is written for such a person in mind but not only for a Christian for an unbeliever too not saved in Jesus Christ so God may open one's mind and heart to receive His teachings Scripture presented in this book that he or she may receive salvation Also with easy access to God's truths in this book and along with one's own Bible one would be ready to receive the divine teachings from the Bible to name a few on What is the sinful nature of man What is God's plan for redemption What are the Old and New Covenants Who was the Lamb of God What is the importance of the Holy Spirit in a believer's life The importance of faith The importance of prayer How did the Son of God completed his work here on earth What is the body of Christ What are Satan's mind games Satan targets believers who doesn't know the Scriptures What does it mean to deny oneself and pick up one's own cross to follow Jesus And so much more divine teachings that are presented in this book Furthermore once one saved understands God's teachings from the Bible he may be better equipped to serve the Lord in his or her own life and to walk daily in the Holy Spirit to please God and also have the peace of mind that he or she is in God's hands

With Christ in the school of prayer Andrew Murray, 1886 *Pray and Watch the Impossible Happen* Josian Frampton, 2014-01-15 This journey on prayer is meant to expose the supernatural capabilities of God It unleashes insight into the unlimited power of God when we pray Found within its pages is empowerment to defeat intimidation caused by uncertainties and impossibilities This book will encourage unwavering faith capable of bringing phenomenal results through prayers *Pray and Watch the Impossible Happen* drives belief and compels one to fall on their knees Its exploration of prayer is unique in that it provides a fascinating spiritual depth on the subject It is empowering inspirational and convicting This book is certain to change the way you pray and reach God This book identifies prayer as the key component to spiritual maturity When consciously exercised prayer yields answers in the face of child like faith

Consequently it is one's belief which makes the difference in the responses received from God. There are many people who believe in God but they do not believe what God says. The book encourages people to believe in the realness of God. His capability to answer every prayer and meet every need is based on the promise of His word. During Christ's ministry on earth he always asked people about their belief when he was about to heal or perform a miracle. After each healing he'd also remind them that it was their faith that made them well.

Author Bio: Josian Frampton is a graduate from Andrews University Theological Seminary. She is a licensed minister, public speaker, and currently serves as an evangelist.
