Making Marriage User Friendly Russ Holloman Ph. D., 2012-05-16 Why are some marriages more successful more satisfying and more enduring than others The answer to this question is perhaps the most widely studied and best known part of our marriage and family therapy literature although arguably it is the least understood and certainly the least followed in terms of avoiding the pitfalls that lead to unsuccessful marriages What this book proposes as an answer to this question is the nearest thing we have to a manifesto for marriage and family living It provides us with a clear description of what married life should be like No words or ideas sum up the intention of this manifesto better or indicate more clearly its challenge to contemporary marriages than the words making marriage user friendly Notes of A Sexologist Oksana Izghoreva, 2024-09-01 Notes of A Sexologist is a collection of articles and edited notes of Ukrainian sexologist and psychologist Oksana Izghoreva On the pages of this book Oksana shares with the reader her thoughts observations and research on the topic of sexology This book will be of interest to those readers who want to understand more about the amazing and almost unexplored world of human sexuality to touch on the psychological aspects of our intimate life and to understand the main questions that we face almost every day but do not notice and do not think about them to see that many problems in our life can be solved if you consult a specialist in a timely manner The book is written in an accessible and understandable way Of course it is impossible to cover all issues of sexology so this is the first edition in which certain topics will be described for a wide range of readers The original language of this work is Ukrainian the translation was done by Editor and Publisher Connection, Compromise, and Control Nancy Mandell, Ann Duffy, Susannah Jane Wilson, 2008 This text provides discussion of the female life cycle based on in depth interviews with 150 diverse women at various stages in their lives including women from visible minorities lesbians women with disabilities and women living in poverty In this text particular attention will be paid to issues of baby boomers the women's movement work and economic security caregiving health and well being family and intimacy and structure culture and agency All the chapters underline the need for a new perspective that incorporates the historical and generational shifts in women's lives and their experience of aging The Mental and Emotional Life of Teenagers John J. Mitchell, 2000-12-31 This book examines the mental and emotional forces that effect teens and sway their behavior **The Natural Limitations of Youth** John J. Mitchell, 1998-06-23 In this book Mitchell investigates how the natural limitations of youth shape not only the day to day life of teens but the entire culture This book analyzes how adolescents are prone toward critical decision making errors how they are vulnerable to exploitation in their peer groups in their friendships and in their love relationships how they are inclined to confuse fact with fable how they are shaped by narcissistic ideology and ego enhancing belief systems how they are inclined toward poor partner selection

in their romantic involvements and finally why they need dignified adult mentors if they are to achieve a dignified identity of their own

Looking Out/Looking In Ronald B. Adler, Adler, 1995-08 **Sexual Dimensions of the Celibate Life** William F. Kraft, 1979 **Whole & Holy Sexuality** William F. Kraft, 1989 For God or Empire Wilson Chacko Jacob, 2019-07-30

Sayyid Fadl a descendant of the Prophet Muhammad led a unique life one that spanned much of the nineteenth century and connected India Arabia and the Ottoman Empire For God or Empire tells his story part biography and part global history as his life and legacy afford a singular view on historical shifts of power and sovereignty religion and politics Wilson Chacko Jacob recasts the genealogy of modern sovereignty through the encounter between Islam and empire states in the Indian Ocean world Fadl s travels in worlds seen and unseen made for a life that was both unsettled and unsettling And through his life at least two forms of sovereignty God and empire become apparent in intersecting global contexts of religion and modern state formation While these changes are typically explained in terms of secularization of the state and the birth of rational modern man the life and afterlives of Sayyid Fadl which take us from eighteenth and nineteenth century Indian Ocean worlds to twenty first century cyberspace offer a more open ended global history of sovereignty and a more capacious conception of life

Heterosexual Masculinities and the Self-Reflexive Novel Stefano Rossoni, 2025-07-24 Heterosexual Masculinities and the Self Reflexive Novel examines how the narratives of four world renowned authors namely J M Coetzee Milan Kundera Philip Roth and Mario Vargas Llosa offer a standpoint through which to address the inscription of heterosexual masculinity into Western literary legacy and the ways in which masculinity is re fashioned in contemporary self reflexive novels Considering the interconnectedness of their narratives for the first time the book explores unexamined patterns of dialogue among Coetzee Kundera Roth and Vargas Llosa while also contextualising their writing in the light of the European literary tradition inaugurated by Cervantes s Don Quixote and continued by Flaubert s Madame Bovary Rather than building on conventional theoretical approaches to literary studies Stefano Rossoni develops a fresh and engaging approach by looking at these two works not only as narrative texts but most importantly as theories of literature In dialogue with critical contributions that examined men s emotional illiteracy and struggle to develop a language for self reflection the book argues that the narratives of Coetzee Kundera Roth and Vargas Llosa engage with the tradition of the self reflexive novel and its ramifications to reflect on masculinity as a socio cultural construction Ultimately
