Recollections Of The Cambridge Union:

Recollections of the Cambridge Union, 1815-1939 ... With Contributions by H. Wilson Harris, Sir Arnold McNair [and Others], Etc. [With Plates]. Percy CRADOCK, Henry Wilson Harris, 1953 [Recollections of the Cambridge Union, 1815-1939](#) Percy Cradock, 1953 *Public Speech and the Culture of Public Life in the Age of Gladstone* Joseph S. Meisel, 2001-12-06 By the last decades of the nineteenth century more people were making more speeches to greater numbers in a wider variety of venues than at any previous time This book argues that a recognizably modern public life was created in Victorian Britain largely through the instrumentality of public speech Shedding new light on the careers of many of the most important figures of the Victorian era and beyond including Gladstone Disraeli Sir Robert Peel John Bright Joseph Chamberlain Winston Churchill Lloyd George Charles Haddon Spurgeon and Canon Liddon the book traces the ways in which oratory came to occupy a central position in the conception and practice of Victorian public life Not a study of rhetoric or a celebration of great oratory the book stresses the social developments that led to the production and consumption of these speeches **Encyclopedia of British and Irish Political Organizations** Peter Barberis, John McHugh, Mike Tyldesley, 2000-01-01 This major authoritative reference work embraces the spectrum of organized political activity in the British Isles It includes over 2 500 organizations in 1 700 separate entries Arrangement is in 20 main subject sections covering the three main p *Students in Twentieth-Century Britain and Ireland* Jodi Burkett, 2017-09-22 This book explores the experiences and activities of students across the twentieth century and throughout the United Kingdom and Ireland The daily experiences of students their involvement in local communities national political organisations and widespread cultural changes are the main focus of this ground breaking book It takes students themselves as the subject of inquiry exploring the fundamental importance of student activities within wider social and political changes and also how some of the key changes across the twentieth century have shaped and changed the make up experiences and lives of students This book charts the experiences of students throughout a period of unprecedented change as being a student in Britain and Ireland has gone from the endeavour of a small number of elite mainly wealthy white men to an important phase of life undertaken by the majority of young people **Abba Eban** Asaf Siniver, 2015-11-03 Based on interviews with dozens of people and research in more than twenty archival collections this cleareyed biography deserves to be called definitive Kirkus Reviews starred review Born in South Africa educated in England and ultimately a major figure in Israeli history Abba Eban was a skilled debater a master of multiple languages and a passionate defender of the Jewish state But his diplomatic presence was in many ways a contradiction unlike any the world has seen since While he was celebrated internationally for his exceptional wit and his moderate reasoned worldview these same qualities painted him as elitist and foreign in his home country The disparity in perception of Eban at home and abroad was such that both his critics and his friends agreed that he would have been a wonderful prime minister in any country but Israel In Abba Eban Asaf Siniver paints a nuanced and complete portrait of one

of the most complex figures in twentieth century foreign affairs We see Eban growing up and coming into his own as part of the Cambridge Union and watch him steadily become known as The Voice of Israel Siniver draws on a vast amount of interviews writings and other newly available material to show that in his unceasing quest for stability and peace for Israel Eban s primary opposition often came from the homeland he was fighting for no matter how many allies he gained abroad the man never understood his own domestic politics well enough to be as effective in his pursuits as he hoped The first examination of Eban in nearly forty years this is a fascinating look at a life that still offers a valuable perspective on Israel today Siniver s principal achievement is his artful documentation of the tension between Eban the intellectual and Eban the politician Such lofty thoughts do not distract Mr Siniver from listing the indiscretions and dishonesty to which Eban in his politician s guise occasionally succumbed The Wall Street Journal Siniver s levelheaded account looks at the history of Israel through the life of the country s eloquent defender The New York Times Book Review Editor s Choice The Politics of Dissensus Anna Björk ,Elena García Guitián ,Taru Haapala ,Pasi Ihalainen ,Hanna-Mari Kivistö ,Anna Kronlund ,Jussi Kurunmäki ,Raija-Leena Loisa ,Rosario López ,Anthoula Malkopoulou ,Kyösti Pekonen ,Onni Pekonen ,Antonio Rivera García ,Suvi Soininen ,Manuel Toscano ,Tuula Vaarakallio,Claudia Wiesner ,2014-07-04 The Politics of Dissensus inverts the traditional perspective on the study of parliamentary politics by focusing on its less obvious and less well known aspects Dissensus instead of consensus becomes the condition for the intelligibility of parliamentary politics Such politics is indebted to the rhetorical culture of addressing issues from opposite perspectives and debating the alternatives pro et contra no motion is approved without a thorough examination of and confrontation among imaginable alternatives Establishing the openness of political debating parliamentarism has become a distinctive historical contribution to the rise of parliamentary democracy Parliament in Debate refers to the paradigmatic institution for political deliberation the debates surrounding its legislative activity as well as the supervision of government and administration Parliament has become a fascinating object of scrutiny as a political institution adopted and developed by different political traditions In a nutshell the book retrieves the study of parliamentary politics to present political theory and action in the parliamentary mode It is a book on the relevance of parliamentarism to the study of politics and a book on the comparative conceptual and institutional history of parliamentary politics The Politics of Dissensus Parliament in Debate is the outcome of an international team of contributors coordinated by two ongoing research projects relying on a long lasting international cooperation namely the Academy of Finland project The Politics of Dissensus and the Spanish National Research Fund projects The Rhetorics of Democracy and The Civic Constellation Memoirs of Archbishop Temple: London memoir, 1885-1896 Ernest Grey Sandford,1906 *Memoirs of Archbishop Temple* Ernest Grey Sandford,1906 **Reminiscences of Many Years** Charles John Shore Baron Teignmouth,1878 *Lectures and Memoirs* ,1993 *Literary, Debating and Dialect Societies of Great Britain, Ireland and France* Geoffrey Handley-Taylor,1953 **American Literary Gazette and Publishers' Circular** ,1871
