Understanding the Times Jeff Myers, David A. Noebel, 2015-09-01 Your view of God determines your view of the world You hold in your hands a landmark guide to understanding the ideas and forces shaping our times Understanding the Times offers a fascinating comprehensive look at the how the tenets of the Christian worldview compares with the five major competing worldviews of our day Islam Secular Humanism Marxism New Age and Postmodernism Understanding the Times is a systematic way to understand the ideas that rule our world While the material is expansive the engaging easy to understand writing style invites you to discover the truths of God and our world This classic should be on the shelf of every Christian home on the desk of every pastor and in the hands of every Christian student headed off to college *Creative*

Christian Media Phil Cooke, 2006-12 Why we use the media was settled long ago The question now is how can we use the media most effectively Jesus spent his life reaching people Today we use new tools to do the same task This book will help you take advantage of this amazing moment in time touching nations through the power of technology **The Routledge Research Companion to Media Geography** Paul C. Adams, Jim Craine, 2016-03-23 This Companion provides an authoritative source for scholars and students of the nascent field of media geography While it has deep roots in the wider discipline the consolidation of media geography has started only in the past decade with the creation of media geography s first dedicated journal *Aether* as well as the publication of the sub discipline s first textbook However at present there is no other work which provides a comprehensive overview and grounding By indicating the sub discipline s evolution and hinting at its future this volume not only serves to encapsulate what geographers have learned about media but also will help to set the agenda for expanding this type of interdisciplinary exploration The contributors leading scholars in this field including Stuart Aitken Deborah Dixon Derek McCormack Barney Warf and Matthew Zook not only review the existing literature within the remit of their chapters but also articulate arguments about where the future might take media geography scholarship The volume is not simply a collection of individual offerings but has afforded an opportunity to exchange ideas about media geography with contributors making connections between chapters and developing common themes

Religion in India Varuni Bhatia, 2025-05-07 Religion in India is a constantly evolving and transformative entity that cannot be engaged with in isolation from other dimensions of life This short introduction moves beyond traditional text and scripture based academic approaches to provide an overview of the dynamic role of religion in contemporary Indian society Examining religion through the perspectives of religious actors interlocutors and practices it highlights how religion intersects with the state secularism identity and civic and economic life An indispensable resource for general readers students and researchers this book will foster grounds for dialogue towards a flourishing of pluralism in present day India
