

Preface

- Empathy is a psychological and philosophical name used to take care of patients, but there is no such word in the Bible whether it is in Chinese or English. And God created each person differently, plus each person's family of origin, their experience after birth is different, and there are differences between men and women. So it is actually difficult or almost impossible for a person to understand what other people are going through. But God knows everyone, so if we have empathy, we must pay close attention to god. Hence, we rely heavily on God to use his mighty power to allow us to have empathy, so I will give an example of empathy at the end.

In some sort of taken by screens and the ceaseless chatter of instantaneous connection, the melodic beauty and mental symphony produced by the prepared word frequently disappear into the back ground, eclipsed by the constant noise and interruptions that permeate our lives. Nevertheless, nestled within the pages of **Preface To Empathy** a wonderful fictional treasure brimming with organic feelings, lies an immersive symphony waiting to be embraced.
