

THE RAPTURE vs THE 2ND COMING OF JESUS

Rapture Regained

Mark Hitchcock, Thomas Ice

Rapture Regained:

The Apocalepticon Greg Castle,2011-06-01 *The Apocalepticon* a modern neo classical epic poem covering an encyclopedic range of subject matter historical themes philosophical schools and theological traditions A work conceived over three decades in a culmination of poetical language that gives a new and original voice to the Western Epic Tradition

The End Mark Hitchcock,2012-07-06 *A Comprehensive Guide to Bible Prophecy and the End of Days* The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century *The End* will do for eschatology what Randy Alcorn's *Heaven* did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way *The End* lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting *The End* will give you confidence in and hope for the future as it points you toward the second coming of Christ

The Truth Behind Left Behind Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the *Left Behind* series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question *Left Behind*'s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in *Left Behind* and offer historical and biblical support for each event *Story Behind the Book* With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the *Left Behind* theology With the questions that are being raised and will continue to be raised many may begin to wonder if the *Left Behind* theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series *Queen of Hearts* Lucia Curzon,1982 **A**

Story of Conflict Jonathan Burnham,2007-01-01 This study explores the complex and turbulent relationship between B W Newton and J N Darby the two principal leaders of the early Brethren movement Burnham traces Darby's development of his prophetic system and his biblical literalism which led to his distinctive views on pretribulational premillennial dispensationalism Darby's eschatological views went on to have far reaching effects on evangelicalism While having much in common with Darby Newton departed from him on key points In 1845 the dispute between the two men intensified leading to Darby founding a rival assembly in Plymouth By the end of 1847 following debate over the orthodoxy of his christology Newton seceded from the Brethren and left Plymouth In many ways Newton and Darby were products of their times and this

study of their relationship provides insight not only into the dynamics of early Brethrenism but also into the progress of nineteenth century English and Irish evangelicalism *Rapture Regained* Serena Alexander,1981 **Rapture's Reward** Sandra Donovan,Sandy Donovan,1989-10 **Paradise regain'd, Book I-IV. Samson Agonistes. Comus, a mask** John Milton,1801 *Surprise Ending* Elinor Stanton,1982 **The Blessed Hope and the Tribulation** John F. Walvoord,1976 Eschatology is a crucial theological issue in our day The rapture question has particular importance in premillennial eschatology This volume confronts that question Does the rapture of the church precede or follow the Great Tribulation In this book Dr John F Walvoord examines the post tribulationist viewpoint and calls into question its exegetical grounds and hermeneutical validity The author examines four schools of thought within posttribulationism and challenges point by point the arguments of their leading exponents This scholarly apologia of the events relating to the second coming of Christ reaffirms the author s conviction that pretribulationism provides the best interpretation of the biblical evidence and demonstrates the most reliable understanding of the Christian s assurance of the blessed hope Milton, Rights and Liberties Neil Forsyth,2007 On July 14th 1790 a key figure in the French Revolution honoured Milton as a founding father of the French republic In the light of this connection it was appropriate that the 8th International Milton Symposium 7 11 June 2005 was held in Grenoble cradle of the French Revolution But the connection of Milton and Rights takes us well beyond the specific link with France and the fascinating selection of essays assembled in this volume many by leading Milton scholars addresses the question in the poetry as well as the prose Milton s fervent but changing attitude to liberties is debated from various points of view so that the volume contains essays on topics ranging from the musical adaptations of Samson Agonistes to its angrily argued parallel with contemporary terrorism from air pollution in Paradise Lost to Milton s supposed Puritanism and putative parallels with a French pornographer *Paradise Regain'd* John Milton,1742 **Sapphire Island** Diane Crawford,1982 Expecting the End Kenneth G. C. Newport,Crawford Gribben,2006 Jesus promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection **Trial by Fire** Faye Morgan,1983 *The Westminster Review* ,1895 *Rapture's Deception* Michalann Perry,M Perry,1987-11 **Rapture's Revenge** Lauren Wilde,1987-05 Captain Matthew Blake finds a scruffy boy hiding on his ship and after throwing him in the brig the captain discovers that the boy is actually the mysterious temptress he met the night before he set sail **Rapture's Rogue** Catherine Creel,C Creel,1986-06 *Hard to Handle* Susanna Collins,1981
