Rascal Money *Book Club Edition* Joseph Garber ,1990-06-21 **Rascal Money** Joseph R. Garber,1990 Money Matters Richard T. Gray,2018-03-23 In *Money Matters* Richard Gray investigates the discourses of aesthetics and philosophy alongside economic thought arguing that their domains are not mutually exclusive The transition in Germany from an agrarian or proto industrial economy to a capitalist industrial economy which was paralleled by a shift from the exchange of money in coin to the use of paper currencies occurred simultaneously with an efflorescence of German language literature and philosophy Based on close readings of canonical literary and philosophical texts Gray explores how this confluence led to a rich cross fertilization between economic and literary thought in Germany during this period *Money Matters* documents the surprising degree to which literature and philosophy participated in the creation of modern economic paradigms as well as the extent to which economics influenced literature and philosophy The cultural artifacts of the period demonstrate the existence of an economic unconsciousness persistent notions of value and exchange that inflect the aesthetic and thematic dimensions of literary and philosophical texts This book offers a thought provoking and original analysis of literature and ideas in the critical transition period from Kant and Goethe through the German Romantics to Marx Straitjackets and Lunch Money Katya Cengel,2023-09-05 Katya Cengel became patient number 090 71 51 at the Roth Psychosomatic Unit at Children s Hospital at Stanford in 1986 She was 10 years old Overwhelmed by feelings of abandonment worthlessness and anger at having to care for her depressed father she wanted out She found it the only way she knows how by starving herself Thirty years later Katya now a journalist discovers her young age was not the only thing that made her hospital stay unusual The idea of psychosomatic units themselves where patients have dual medical and psychological diagnoses was a revolutionary one since largely fallen out of favor Katya documents this tracking down the doctors psychologists and counselors who once cared for her What happened to her as a child is told in the voice of the troubled 10 year old girl she once was The two narratives unfold simultaneously The result is a gut wrenching account of childhood mental illness told from the inside interspersed with updates from experts in the field *The Story of Money* Edward Cornelius Towne,1900 Our Rival, the Rascal Benjamin P.
