**The Silence** David Van Bush,192? [The Silence: What It Is and How To Use It](#) David V. Bush,2009-09-16 The author explains that the silence is the medium by which the life of God and the soul of man are brought together Selected contents health silence for harmony peace and comfort thought to hold as a basis for this silence abundance health success prosperity universal peace and brotherhood how to have more

**The Silence** David V. Bush,2014-04-17 Approach to the Silence Wrong thinking produces inharmony in our body which in turn produces sickness Our bodies sometimes are instantly re harmonized while in the Silence In the Silence our minds become passive open free and loving at which time the Infinite Master of harmony touches the mental chords of our being and we are well Just as the piano can be tuned so can the mind Man s body is made up of twelve octaves the same as in music All matter is music All matter is composed of twelve octaves Wrong thinking brings inharmony in some of the octaves of our body Right thinking tunes these organs puts them back into their normal condition Boys have their little steel magnets by which they pick up small pieces of steel pins and so forth When overworked these magnets no longer attract Then the boys take their magnets have them rubbed against strong magnets or remagnetized with an electric current and their power is quickly restored so with our bodies Mind is the re electrifier and re harmonizer of the octaves into all harmony Right thinking therefore is the most important thing in life As a man thinketh in his heart so is he Just as a tuning fork near a piano will respond with a vibration when a key of the same pitch is struck on the piano nearby so likewise do the bodies of men respond to proper stimulus and become in tune By right thinking man can re harmonize himself can achieve health success and prosperity To enter the Silence one must first establish perfect relaxation in mind and body Then as the consciousness is brought from one part of the body to another the tuning takes place If the leader in the Silence should be intoning there will be many in the audience who will feel tinkling sensations vibrations and often are instantly healed They have been instantly re harmonized Sometimes it may take several intonings in the Silence for a complete healing Should you have a violent vibration feel no fear but thank God for your healing because the more violent the vibration perhaps the worse has been your condition and the more surely has the re harmony begun Some people will feel this vibration for hours even days throughout which there is always healing Others may not feel the vibration at all yet if there has been any inharmony in the bodily organs these organs are unconscious to the conscious intoning re harmonization Many people who have been healed of divers and many malignant diseases were at no time conscious of any vibration Never be discouraged if you feel no sensation If you do feel a vibration know that you are susceptible and on the high road to a healing demonstration The one intoning may or may not be feeling vibrations Religion is the life of God in the soul of Man The Silence is the medium by which the life of God and the soul of man are brought into Atonement The Silence is a medium by which man comes in a closer touch with the Infinite a medium by which man becomes conscious of his nearness to the Infinite The Silence is the meeting place where man s spirit links with God s spirit where spirit meets spirit and the marvel of

His grace never ceases The Silence is another way of praying which is another way of concentration It is another way of visualization As a man thinketh in his heart so is he In the Silence a man can by his thoughts change his life his conditions his environment his all By right thinking man becomes harmonious A harmonious man in tune with the Infinite is on the King s highway to health success abundance prosperity happiness love and peace **The Silence; What It Is and How to Use It** David V. Bush,2012-03-01 Right thinking is the most important thing in life As a man thinketh in his heart so is he Just as a tuning fork near a piano will respond with a vibration when a key of the same pitch is struck on the piano nearby so likewise do the bodies of men respond to proper stimulus and become in tune By right thinking man can re harmonize himself can achieve health success and prosperity The Silence is a medium by which man comes in a closer touch with the Infinite a medium a tuning fork by which man becomes conscious of his nearness to the Infinite The Silence is the meeting place where man s spirit links with God s spirit where spirit meets spirit and the marvel of His grace never ceases **The Living**

Weeks, 2022-04-19 Adult Bible Studies Summer 2022 Theme Transform The lessons this quarter begin with a look at the ministry of the Holy Spirit that brings new life to us as members of the body of Christ Jesus tells the disciples in John s Gospel that he must leave so that the Comforter or Holy Spirit could come The Spirit will lead and guide us into all truth and bring gifts and graces to all who will receive them This transforming power prepares us for ministry in the world The Holy Spirit s work in empowering us to be the church and carry out its mission is not limited to time and space The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages violence How do we as the people of God confront and overcome this menace to the faith Unit 1 The Fruit of the Spirit Paul used the metaphor of fruit to help us understand that our lives are like the firstfruits of offering Through participation in Christ s crucifixion through baptism we have offered our lives to God s service The Holy Spirit then gives us gifts to display Scriptures Acts 2 1 4 17 21 33 38 39 1 Corinthians 2 10 16 Galatians 5 13 21 Galatians 5 22 26 Spiritual Practice Silence Unit 2 The Work of the Church These lessons take us through a series of events in the Book of Acts in which the activity of the Holy Spirit drives the action forward The lessons in Unit 1 identify the gifts granted to us by the Spirit these lessons look at the path on which the Spirit directs our lives and how the Spirit is already active before we arrive at our destination Scriptures Acts 4 23 31 Acts 8 26 39 Acts 11 1 18 Acts 15 1 21 Acts 16 25

34 Spiritual Practice Service Unit 3 The Pursuit of the People God's word established a created order that depends on fruitfulness and cultivation rather than violence to maintain it but humanity through its rivalries brings violence into God's created order It is clear from Scripture that God's intent is to reestablish shalom the Hebrew word that means a shared well being and abundance While violence remains a part of the created order God does not quietly sanction the human use of violence and calls us to imitate God's love and work toward shalom Scriptures 1 Chronicles 22 6 10 17 19 Matthew 5 9 38 48 Ephesians 2 11 22 Matthew 26 47 56
