Silent Observer:

Unhomely Cinema Dwayne Avery, 2014-10-15 Representations of troubled and inhospitable domestic places are a common feature of many cinematic narratives Unhomely Cinema explores how the unhomely nature of contemporary film narrative provides an insight into what it means to dwell in today's global societies Providing analyses of a variety of film genres from Michel Gondry's comedy *Be Kind Rewind* to Laurent Cantet's eerie suspense thriller *Time Out* Unhomely Cinema presents an engaging discussion of some of the most pertinent social and cultural issues involved in the question of making home in contemporary societies

People In Trouble Wilhelm Reich, 1978-04 First published by Reich in 1953 *People in Trouble* is an autobiographical work in which Reich describes the development of his sociological thinking from 1927 to 1937 In simple narrative form he recounts his personal experiences with major social and political events and ideas and reveals how these experiences gradually led him to an awareness of the deep significance of the human character structure in shaping and responding to the social process The importance of Karl Marx's work and its distortion by communist politicians plays an important role in Reich's account as does the political activity in the International Psychoanalytic Association which led to his expulsion from that organization in 1934 The Norwegian press campaign against his biological experiments is also discussed *People in Trouble* is the story of one man's courageous struggle to understand the political activity of his fellow men

[From Communism to Work Democracy](#) Philip W. Bennett, 2026-03-17 *From Communism to Work Democracy* is the first book devoted solely to Wilhelm Reich's social and political thought and activities It is an intellectual history tracing Reich's evolution from a 1920s style communism to work democracy a form of anarchism all shaped by his understanding of Marxism Communism refers to the radical social policies adopted in the Soviet Union following the Russian Revolution and to the political parties in both Austria and Germany to which Reich belonged 1927-33 Expelled from the Comintern in December 1933 by late 1936 Reich came to treat Communism as synonymous with Stalinism His later anti Communism was a critique of the Soviet Union as described in *The Mass Psychology of Fascism* 1946 In the 1950s he underwent a criminal prosecution by the United States government leading to the burning of his books and his death in prison
