Want List, 1947 *Silvertip's Search* Max Brand, 2021-11-09

Max Brand's *Silvertip's Search* is a gripping tale set against the breathtaking backdrop of the American West, weaving together themes of adventure, identity, and the relentless pursuit of truth. The narrative follows the enigmatic character Silvertip as he embarks on a quest that challenges his morality and resilience. Brand employs a vivid descriptive prose style, immersing readers in the rugged landscapes and highlighting the complexities of human relationships amidst the harsh realities of frontier life. The book emerges as a significant contribution to the Western genre, offering not only thrilling escapades but also introspective moments that challenge the archetypal narratives of heroism. Max Brand, a prolific writer revered for his influential contributions to the Western genre, was deeply inspired by his own experiences in the American West. Born Frederick Schiller Faust, Brand forged a unique fusion of adventure and introspection that defined his literature. His diverse career included writing screenplays and novels, allowing him to bring a cinematic flair to his storytelling, which echoes throughout *Silvertip's Search*. Brand's encounters with frontier life imbued his characters with authentic struggles and aspirations, making his portrayal of the West both romantic and sobering. Readers seeking an engaging blend of action and emotional depth will find *Silvertip's Search* to be a captivating exploration of one man's journey through the trials of the wilderness and his own psyche. This novel not only entertains but also invites reflection on the nature of humanity and the quest for self-understanding, making it a compelling read for both Western aficionados and new readers alike.

Two Families, Two Dynasties, Two Centuries: A Saga of Montana. Bestselling authors William W. Johnstone and J.A. Johnstone return to Cutthroat County in their Montana series, following the Maddox and Drew families from the time they struggled to plant their roots in the 1800s to the twenty-first century trials they endure to maintain their legacies. Drew has his hands full this time of year heading up search and rescue missions for adventurous snowboarders and skiers tempting fate on nearby Always Winter Mountain.
