

**Raven: a monument to bad behaviour**

*Mark Gerson*

my of Britain, he held out for "complicity, nepotism, charm, the amiable spirit, a catalogue echoed by his recreations in *Who's Who*: "cricket, travel, reading, the turf".

*Alms for Oblivion* was a brutal threat to a well-mannered and debauched past. Now Raven's England was moving towards its laughable and tearful end. Though a monument to bad behaviour, as he well knew and appreciated, the books were also an appeal for honour and decency. Raven wrote them "in a generation which was increasingly concerned with fighting off boredom during its ample leisure". So even now, perhaps more than ever, they fit.

At moments the text presciently picks holes in New Labour's peevish style of government or admonishes the spiteful greed of Brussels. We are played a character, calling Macaulay, who catches the political spirit of Raven's masterpiece: "We can make shift to live under a debauchee or even a tyrant, but to be ruled by a busybody is more than human nature can bear." For such a reason, but most for the intelligence of his readability, Raven is unlikely to be consigned, also in Macaulay's phrase, to the "dust and silence of the upper shelf".

A pelting of libel threats in 1990 improbably took this master of indignation away, and his memoir *"Is There Anybody There?"* and *the Traveller* had to be withdrawn. His last unwritten book was to be called *All Safely Dead*, a round-up of survivors of species from Bova to Boothby. His own death, after a succession of strokes - robs us not only of this orgy of memory, but of a gentle and generous host, a raconteur of style, and in a finale that was purely artful, a companionable solitary who enjoyed himself to the full when not to excess, and a novelist who by writing for cash and fame distinguished himself by reaching many of the heights.

**DAVID HUGHES**

"I hope he's given a decent Roman burial," said I when told of Simon Raven's death, writes Anthony Blond. For his imaginary life was that of a Roman, his dignity, his disdain of death, his appeal for the classical schoolmaster's concept of a Roman gentleman. Romans were cremated, and, as my friend the editor of *Esquire's* *Peering* remarked, "He should be very combustible."

Thousands of Armagnacs consumed over 30 years, partly at my expense would ensure that For had published 26 of his 30-odd books. And at the close of play, as Simon could have said (this was the title of one of his novels), he was £26,000 down in the book.

Simon was a copybook cad, but a joy to know and reconnoitre. I had picked him up through Hugh, now Lord Thomas, who was editing a symposium for me called *The Es Establishment*. Simon was billed to do the piece on the Army. The book created quite a stir and probably made my reputation as a publisher in London in the 1950s.

I commissioned Simon to write a novel, *The Feathers of Death*, and that began our connection of nigh on 40 years. Simon's books did not sell easily, but I remember arriving in Harare, and a bookseller wanting to introduce me to the seven people who bought every Simon novel in that town in 1955. I arrived at a dinner party at the apartment of a top New York PR man to find him reading Simon Raven's second novel, *Brother Cain*. He did not know the publisher, but he was one of the few and very special aficionados.

Our relationship was not clouded by my suing the publisher of Simon's fifth autobiography, *"Is There Anybody There?"* Said *the Traveller*, because I found it offensive. He had referred to my partner producing a sewer in Gofu containing his own bodily fluids. We sued and Guy Nevill, "heir to a fine marquessate", got £10,000. I got £3,000. Everybody we knew was horrified. But not us. I continued to know Simon and twice gave him lunch in a restaurant in Charterhouse Square where he was lodged in Sutton's Hospital, whose collegiate routine he relished, especially the bath room, suffice, for much of his life depended on lavatorial exigencies.

Simon Raven was the sort of gambler that psychiatrists would give a tick for, he took the risk and boasted that the loss was an orgasmic thrill.

*Simon Arthur Noel Raven, writer, born Virginia Water, Surrey 28 December 1927; FRSL 1993; married 1951 Susan Kilner (one son; marriage dissolved 1957); died London 12 May 2001.*

### **Simon Raven Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Simon Raven free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Simon Raven free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Simon Raven free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Simon Raven. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Simon Raven any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Simon Raven Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Simon Raven is one of the best book in our library for free trial. We provide copy of Simon Raven in digital format, so the resources that you find are reliable.
