Fotogrametria terrestre Joaquin de Ysasi-Ysasmendi,1928      The Mexican Press and Civil Society, 1940-1976 Benjamin T. Smith,2018-08-07 Mexico today is one of the most dangerous places in the world to report the news and Mexicans have taken to the street to defend freedom of expression As Benjamin T Smith demonstrates in this history of the press and civil society the cycle of violent repression and protest over journalism is nothing new He traces it back to the growth in newspaper production and reading publics between 1940 and 1976 when a national thirst for tabloids crime sheets and magazines reached far beyond the middle class As Mexicans began to view local and national events through the prism of journalism everyday politics changed radically Even while lauding the liberty of the press the state developed an arsenal of methods to control what was printed including sophisticated spin and misdirection techniques covert financial payments and campaigns of threats imprisonment beatings and even murder The press was also pressured by media monopolists tacking between government demands and public expectations to maximize profits and by coalitions of ordinary citizens demanding that local newspapers publicize stories of corruption incompetence and state violence Since the Cold War both in Mexico City and in the provinces a robust radical journalism has posed challenges to government forces      **Autobiographical Writings on Mexico** Richard D. Woods,2024-10-14 This is the definitive bibliography of autobiographical writings on Mexico The book incorporates works by Mexicans and foreigners with authors ranging from disinherited peasants women servants and revolutionaries to more famous painters writers singers journalists and politicians Primary sources of historic and artistic value the writings listed provide multiple perspectives on Mexico s past and give clues to a national Mexican identity This work presents 1 850 entries including autobiographies memoirs collections of letters diaries oral autobiographies interviews and autobiographical novels and essays Over 1 500 entries list works from native born Mexicans written between 1691 and 2003 Entries include basic bibliographical data genre author s life dates narrative dates available translations into English and annotation The bibliography is indexed by author title and subject and appendices provide a chronological listing of works and a list of selected outstanding autobiographies      **Boletín minero** Sociedad Nacional de Minería (Santiago, Chile),1906      **Spanish Culture Behind Barbed Wire** Francie Cate-Arries,2004 By the end of the Spanish Civil War in

March of 1939 almost 500 000 Spaniards had fled Francisco Franco's newly established military dictatorship More than 275 000 refugees in France were immediately interned in hastily constructed concentration camps most of which were located along the open shorelines of France's southernmost beaches This book chronicles the cultural memory of this war refugee population whose stories as camp inmates in the early 1940s remain largely unknown unlike the wide dissemination of the literature and testimony of the survivors of Nazi death camps The hidden history of France's seaside camps for Spanish Republicans spawned a rich legacy of cultural works that dramatically demonstrate how a displaced political community began to reconstitute itself from the ruins of war literally from the sands of exile Combining close textual analyses of memoirs poetry drama and fiction with a carefully researched historical perspective **Spanish Culture behind Barbed Wire** Investigates how the most significant literature of the early post civil war exile period appropriated the concentration camp as a discursive vehicle

**Vespertina** Margaret Rogerson, 2026-01-21 Los muertos de Loraille no descansan Artemisia se está preparando para unirse a las hermanas grises encargadas de purificar a los fallecidos para que sus almas sigan adelante de lo contrario sus espíritus despiertan con un hambre voraz por los vivos Ella prefiere tratar con los muertos que a diferencia de los vivos nunca hacen comentarios sobre su turbio pasado Cuando su convento sufre un ataque Artemisia lo defiende despertando a un antiguo espíritu vinculado a una reliquia Es un renacido un ser malvado que amenaza con poseerla en cuanto baje la guardia La muerte ha llegado a Loraille y solo una vespertina una sacerdotisa entrenada para controlar una gran reliquia puede aspirar a detenerla Pero los conocimientos de las vespertinas hace mucho que se perdieron por lo que a Artemisia no le queda más opción que recurrir al nico que puede saber algo el mismo renacido Mientras su vínculo con el renacido se fortalece entre secretos y magia un mal oculto comienza a surgir Y enfrentarse a él puede requerir que traicione todo en lo que cree si es que el renacido no la traiciona primero
