## **Queer World:**

Queer World Making Andrew Gayed, 2024-03-26 An abundantly illustrated look at how queerness is performed within artistic practice Premodern archives from the Middle East show rich and diverse homoerotic worlds that were disrupted by the colonial imposition of Western models of sexuality Andrew Gayed traces how contemporary Arab and Middle Eastern diasporic artists have remembered and reinvented these historical ways of being in their work in order to imagine a different present Building on global art histories and transnational queer theory Queer World Making illuminates contemporary understandings of queer sexuality in the Middle Eastern diaspora The author focuses on the visual works of artists who create political art about queer identity including Jamil Hellu Ebrin Bagheri 2Fik Laurence Rasti Nilbar G res and Alireza Shojaian Through engaging with these artists Gayed is seeking to articulate a Western and non Western modernity that works beyond the dichotomy of sexual oppression stereotypically associated with the Middle East versus sexual acceptance attributed to North American norms Instead Gayed traces how diasporic subjects create coming out narratives and identities that provide alternatives to inscribed Western models Queer World Making reframes Arab homosexualities in terms of desire and alternative gender norms rather than through Western notions of visibility and coming out narratives that are not conducive to understanding how queer Arabs living in the West experience their sexuality

with girlfriends and wives who remain unaware of their same sex desires and in much of the media DL men have been portrayed as carriers of HIV who spread the virus to black women Sexual Discretion explores the DL phenomenon offering refreshingly innovative analysis of the significance of media space and ideals of black masculinity in understanding down low communities In Sexual Discretion Jeffrey Q McCune Jr provides the first in depth examination of how the social expectations of black masculinity intersect and complicate expressions of same sex affection and desire Within these underground DL communities men aren t as highly policed and thus are able to maintain their public roles as properly masculine McCune draws from sources that range from R and from E Lynn Harris s contemporary sexual passing novels to McCune s own interviews and ethnography in nightclubs and online chat rooms Sexual Discretion details the causes pressures and negotiations driving men who rarely disclose their intimate secrets
