Teo's story *The Whale's Last Song* is a tender, sweet, and wise fable on what we are prepared to do for those we love, a celebration of the beauty and mystery of being alive in a world in which we are part of everything and everything is part of us, and a love song to the natural world. It is *The Alchemist* meets *The Princess Bride* meets *The Little Prince*. It is a little gem, a bright ode to all that is good and beautiful in the world. *The Whale's Last Song* is a timeless tale, an allegory of the heart.
