

Old Malacca

Richard James Wilkinson

Old Malacca:

Old Malacca Sarnia Hayes Hoyt, 1996 Beginning as a fishing settlement long before Parameswara a renegade prince from Palembang in Sumatra arrived in about the year 1400 Malacca was to become one of the world's greatest trading centres crammed so full of all kinds of goods that they almost flowed into the river itself and a strategic port Its location attracted merchants from China the East Indies India and the Persian Gulf and gave Malacca fame wealth and prestige under the Malay sultanate of which it became the centre in its golden age of the fifteenth century Brought under European control by the Portuguese in 1511 it was captured by the Dutch in 1641 and remained under the Netherlands East Indies Company until 1795 when it was acquired by the British Finally Malacca fell into decline as it was overshadowed by the newly established ports of Penang and Singapore Drawing on travellers tales contemporary chronicles and the work of modern historians this book introduces the reader to old Malacca and to some of the personalities connected with its history It concludes with a chapter on modern Malacca and its efforts to build a future and reclaim its past Legends of the Secret Tunnels of Malacca Dennis De Witt, 2018-01-01 Tales of the subterranean tunnels under the historic town of Malacca has existed for over a century There were stories of tunnels that served as the governor's secret emergency exit from the fortress and a mile long tunnel that once connected the fortress of Malacca to the fort on St John's hill strategically built for the defence of the town There were also stories of a tunnel under St Paul's hill and how people had gone into these tunnels but were never to be seen again because they were eaten alive by a giant mythical serpent who guards the tunnels What secrets do the tunnels contain and why were people willing to risk their life by descending into the dark and unknown orifices below Malacca Is there lost treasure still buried in Malacca Did the last Sultan of Malacca stash his huge cache of gold after the Portuguese captured Malacca and the secret vault still remains undiscovered till today Was Malacca Ptolemy's Golden Chersonese and the Ophir the source of King Solomon's gold This book uncovers the layers of history that unfolds Malacca's most bizarre and amazing legend The Baba of Melaka Tan Chee-Beng, 2022-12-07 The fullest and most comprehensive ethnography of the Baba community in Malaysia The author is a meticulous ethnographer and provides three chapters of richly detailed information on Baba kinship and marriage practices ancestor worship Chinese folk religion and festivals and a variety of Baba social patterns and organizations This is certainly a necessary and pleasurable reading material for scholars of Malaysia and for those interested in ethnicity more generally Professor Judith Nagata Pacific Affairs 62 2 1989 Based on a long term ethnographic study the new edition of this book provides a comprehensive description of Baba culture and identity in Melaka Malaysia Tan Chee Beng's landmark study analyses the term Baba the development of Baba society their distribution in Melaka and overt features of identity the Baba Malay dialect customs and religion kinship and social interactions all of which tie in to changes in Baba identity By discussing cultural change and ethnic identification of a Chinese Peranakan community in Malaysia the reader can gain a more complete understanding of this unique minority group

within a minority in a rapidly changing Malaysian context *An Anecdotal History of Old Times in Singapore* Charles Burton Buckley,1902 **The Entomologist** ,1912 *An Anecdotal History of Old Times in Singapore, from the Foundation of the Settlement Under the Honourable the East India Company, on Feb. 6th, 1819, to the Transfer to the Colonial Office as Part of the Colonial Possessions of the Crown on April 1st, 1867* Charles Burton Buckley,1902 *Colonial Office List ...* ,1932

The Modern Malay L. Richmond Wheeler,2019-03-19 First published in 1928 this book us a very complete survey of the Malay Peninsula its physical aspects its history laws government and present day problems while a large part of the book is devoted to a study of the Malay himself Mr Wheeler who has travelled far and wide has spent seven years in Malay and the thorough research which has gone to the making of the book is backed up with personal experience and observation with the result that the book is as readable as it sounds **History of the Dutch in Malaysia** Dennis De Witt,2011-01-01

Written in the perspective of a Malaysian Dutch descendant it gives a comprehensive and never before narrated story about the history of the Dutch in Malaysia and the Malaysian Dutch community This book divides the Dutch historical influences in Malaysia into four different eras Each era is analysed and represented in relation to its respective social environment and political developments Included are the historical contributions of individuals such as the Dutch Admirals who attempted to capture Malacca the Dutch Governors and their administrative ranks who governed the town and the contributions of the Malacca Burghers in shaping Malaysia s history *Inter-ocean* ,1926 **Once Upon a Time in Malaysia** Murale Pillai,2022-12-06 Life in 16th century Malacca as it is in Malaysia today was centred on power and politics trade and commerce rivalry and strife race and religion and war and peace As the leading entrepot of the Nusantara Malacca grew rich and prosperous Then things took a familiar turn The political ethos of the inward looking and self serving ruling elite had begun to change for the worse Bent on enjoying the trappings of wealth and power they ignored the needs and well being of the rakyat and the State At the same time a resurgent Portugal driven by science and ambition was the superpower of the day She could project power and dictate the course of history in most parts of the known world Malacca was totally unprepared for the Portuguese Mission to Malacca in 1509 led by Admiral de Sequeira The subsequent ill advised taking of some Portuguese as hostages and the retreat of de Sequeira s fleet led to Afonso de Albuquerque s ferocious invasion in 1511 which ends in a shattering defeat for Malacca leaving in its wake an enduring sense of loss and a legacy of deep distrust for the other As a work of historical fiction *Once Upon A Time In Malaysia* is a stark reminder that the more things change the more they stay the same

Japan ,1929 **Nineteenth Century and After** ,1923 **"O Mei" Moon and Other Poems** Alan W. Simms Lee,1921 *Readings in Malay Adat Laws* M. B. Hooker,1970 *Events Prior to British Ascendancy ...* Richard James Wilkinson,1908 **The Journal of the Linnean Society** Linnean Society of London,1884 **The Journal of the Linnean Society of London** Linnean Society of London,1884 **The journal of the Linnean Society of London** ,1884 **Journal** Linnean Society of London,1884
