THE FIRST NORWEGIANS IN WISCONSIN

Wisconsin in the pioneer days was a haven of refuge for the oppressed of many lands. To its hospitable shores came immigrants from nearly every country of northern Europe, even from their homes by grinding poverty, political exactions, or religious bigotry. To the unknown interior of the new world these sturdy adventurers made their way, undergoing many hardships, meeting with frequent mishaps, but by dint of steadfast courage and patient toil, winning for themselves a competence in a free land. Wisconsin has had no more useful citizens than these, and among them none have contributed more to the upbuilding of the commonwealth than the Norwegian colony that came to Jefferson Prairie in Rock County in the summer of 1838, the first Norwegian settlement in Wisconsin, and the fourth in the United States.

In the story of this migration two brothers play an important role. They are Ole and Austen Nattestad, the former of whom was the earliest Norwegian settler in Wisconsin, the latter, the man who led an eager flock of fellow-countrymen to the fertile prairies of Rock county. Born in Numedal, Norway, at the opening of the nineteenth century, these youths early in life learned that the door of opportunity in their native land was closed against them. The most careful and painstaking tillage of the soil brought them little reward for their labor; local restrictions harassed them in trade; petty official exactions prevented their engaging in gainful pursuits. In the spring of 1837 they determined to emigrate to the world, concerning which they had heard wonderful reports. Despite the warnings of fearful friends, they were soon on their way to the seashore for embarkation.

"Our equipment consisted in the clothes we wore, a pair of skoes, and a knapsack. People looked at us with wonder and intimated that we must have lost our senses. They suggested that we had better hang ourselves in order to avoid a worse fate. We went on skoes across the mountains from Rolloug to Tin, and thence in a direct line over hills and thru forests to Stavanger, where we expected to get passage cross the sea. We did not worry about the roads, for all three of us were experts on

skoes, and our baggage caused us no inconvenience." Arriving at Stavanger, the brothers encountered unforeseen difficulties. The Norwegian government was strongly opposed at this time to emigration, and on the pretext that their passports were irregularly issued, proposed to send them back to their native valley. Warned that they were about to be apprehended, under cover of night they fled to another city, where by a stroke of good fortune, they obtained passage on an outgoing herring boat bound for Sweden, and thence made their way by sailing vessel without further mishap to the new world.

For a year after their arrival in America, the pair found employment in Illinois. Then they separated, Ole moving northward to Wisconsin, where he established himself in the spring of 1838, and Austen returning for a short visit to the land of his birth.

Upon his arrival here, Ole found his old home wildly excited over the question of emigration. The report of his coming had spread far and near over the countryside, and people came from as great distance as 140 miles to interview him concerning the great Republic across the sea. He was besieged with letters requesting information, and wherever he went was listened to by eager audiences. When he prepared to retrace his steps to the new world in the spring of 1839 a hundred persons from Numedal were ready to accompany him.

To describe the hasty preparations, the tearful farewells, the picturesque packs and bundles of these Scandinavian Pilgrims, the hard and long voyage by sailing vessel over the stormy Atlantic, the belated arrival at New York, the memorable journey over an interminable expanse of country, the bewildering rush and bustle, the babel of strange tongues, the wonder inspiring sights, would be but to repeat a tale oft told by other immigrants to the new world. Suffice to say that under the leadership of Austen Nattestad, the little band arrived safely by way of Chicago at Jefferson Prairie, where Ole Nattestad was prepared to welcome them.

For a few years after their arrival the immigrants underwent the usual trials and hardships of pioneer life. Stout hearts and willing hands, how
