Not By Accident:

Not by Accident Samantha Dunn,2015-08-11 Samantha Dunn used to live for the feeling of wind blowing in her hair and the powerful intoxication of her horse s steady gallop A tug of Harley s leathery reins could instantly eradicate mounting bills unfinished work and the reality of a troubled marriage from her mind But one day as she was leading Harley across a stream in a picturesque California canyon he panicked knocked her to the ground and trampled her nearly severing her leg in the process Dunn had always been accident prone but in the aftermath of this incident she began to analyze the details of her life and her propensity for accidents Was she really just a klutz Or could there be some underlying emotional reason she was always putting her life in danger A blend of personal narrative and of research about what drives some people to have more accidents than others **Not by Accident** is an insightful incisive memoir that helps bridge the gap in understanding that exists on the concept of accident proneness
